From the Primary School the boundary continues along the rear property boundaries of buildings on the south side of Lumley Lane to Village Farm. Immediately to the west of the Village Farm the conservation area boundary turns north-east across Lumley Lane along the western boundary of Rose Cottage. From here the boundary follows the rear property boundaries of houses fronting the north side of Lumley Lane and the north-west side of the village green thereby excluding the development site in Field OS.3067. The boundary then turns east along the northern property boundary of Wood View and across Kirkby Lane to include St. Mary's Terrace, Village View and The Close within the conservation area. The boundary continues south-east to include all the properties fronting the north-east side of the green. From the bungalow to the east of the Vicarage the boundary is drawn around Field OS.6637 to include the whole of it within the conservation area. Finally the boundary turns south-west along the boundary of No. 6 Penfold Terrace and then north west along the rear boundaries in Penfold Terrace to the point where this description commenced. Penfold Terrace is thereby included within the conservation area.

Stokesley Conservation Area

SCHEDULE

The Conservatin Area includes the area within a boundary line starting at 18 West End and including all properties fronting West End to West Green and High Street, including Brewery Terrace and the Methodist Church. The boundary extends north to North Road to include No. 15 and Three Tuns Wynd, then turns south to exclude 40 High Street before returning to North Road to include No. 7. The boundary includes Nos. 2-8 North Road and all properties numbered into College Square, and follows the southern boundary of the Primary School as far as Springfield. The boundary then runs south east to include Stokesley Bridge, Leven Bridge House and all properties numbered into Levenside and the northern part of Union Mill. After following the Leven for 70 metres, the boundary then follows the northern boundary of the Malvern Drive estate to include Carricks Corner, and return to the starting point.

Bedale Conservation Area

SCHEDULE

The Bedale conservation Area consists of all the area within a line drawn to the south of the Lodge at Bedale Golf Club running around the playing field adjoining Bedale Hall and to the east of Bedale Manor. The line turns south-west along the rear of the properties fronting the west side of Wycar an then south-east along the east side of 18 Wycar. From this point the line runs across the road and around Wycar Terrace and Sussex Terrace thereby including them within the Conservation Area. The line is drawn to exclude Samwaies Court before turning east along the rears of properties fronting the north side of Sussex Street. These properties are, therefore, excluded from the Conservation Area. To the west of 2 Market Place the line turns south-east across Sussex Street and long the rears of properties fronting South End. At the northern boundary of 22 South End the line turns east and then south to exclude the rest of the properties on the west side of South End. At a point to the east of 3 South End, the line turns north east across the road and then directly to Bedale Beck. At this point the boundary runs around Bedale Harbour and then north east along the mill race. To the west of Mill House the boundary runs to the west of the Mill access road and then turns east around Park House and north around the signal box to include both within the Conservation Area. After this, the boundary turns west and then north along the east side of Bedale Beck to the northern boundary of Field O.S. 6557. From this point the line runs south west to the main road and then north west to the point where this description commenced.
