AUTHORITIES

NOTICE

Treasury Minute dated 7th April 1987.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 7th April 1987 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

The effect of the designation is to impose important controls on development in the area. Demolition of any building or part of a building within a Conservation Area is an offence unless consent has been granted by the Local Planning Authority. Where an application for planning permission is made to the Local Planning Authority and the development would, in their opinion, affect the character or appearance of the Conservation Area, the application will be the subject of special publicity procedures under section 28 of the 1971 Act. Trees in Conservation Areas are also protected and any person found executing works against trees such as felling, lopping, topping, uprooting or wilful destruction or damage without prior consent from the Local Planning Authority will be guilty of an offence. Advertisements in Conservation Areas may also be controlled by the Local Planning Authority to avoid detracting from the appearance of the Conservation Area.
