II. Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

OFTEL

CHATLINE SERVICES

Notice Published by the Director General of Telecommunications under Section 12 of the Telecommunications Act 1984

Proposed modifications of the Conditions of the Licences granted to British Telecommunications Plc ("BT"), Kingston-upon-Hull City Council and Kingston Communications (Hull) Plc ("the Hull Licensees"), Mercury Communications Limited ("MCL"), Racal-Vodafone Limited ("Racal") and Telecom Securicor Cellular Radio Limited ("Cellnet") to run telecommunications systems.

1. The Director General of Telecommunications ("the Director") hereby gives notice that he proposes under section 12 of the Telecommunications Act 1984 ("the Act") to modify the Conditions in the Licences granted under section 7 of the Act to BT, the Hull Licensees, MCL, Racal and Cellnet ("the PTOs") by adding a new Condition to those Licences.
2. The effect of the modifications is to prevent "Chatline Services", where more than two people are able simultaneously to conduct a telephone conversation with one another, from being provided unless certain conditions are fulfilled.
3. The conditions are that the customer must have agreed in advance to the provision of that particular service and that any telephone bill from a PTO must show the amounts charged for the services (including the charge for the relevant telephone calls) separately from any other charges. Each charge for a Chatline Service must be itemised to show the date on which the service was provided and the telephone number used to gain access to it.

4. The conditions apply both to Chatline Services offered by a PTO and to services offered by an independent operator over PTO lines. The PTO must cease to provide the relevant lines to any independent operator who does not comply with the conditions. The definition of Chatline Services excludes conference calls where the participants are identified in advance.
5. The purpose of the proposed modifications is to safeguard and promote the interests of consumers and purchasers of telecommunications services in the United Kingdom in respect of the quality of telecommunications services provided.
6. The Director is required by section 12(2) of the Act to consider any representations or objections which are duly made and not withdrawn.
7. Any persons whose interests are likely to be affected by the modifications, and who wish to make representations or objections in respect of them, should do so in writing to Mr. M. J. Prettyman, OFTEL, Atlantic House, Holborn Viaduct, London EC1N 2HQ (stating their interests and the grounds on which they wish to make representations or objections), before Monday, 13th June 1988. Copies of the proposed modifications may be obtained from OFTEL (Telephone 01-822 1617).
