LEICESTERSHIRE COUNTY COUNCIL

Correction To Public Notice Published Friday 13th May 1988

The Leicestershire County Council (Various Streets, Parish of Glenfield) (Experimental Prohibition of Commercial Vehicles Over 7.5 tonnes) Order 1988.

Notice of the making of the above Order was published on 13th May 1988. The Order prohibits for an experimental period any heavy commercial vehicle, the maximum gross weight of which exceeds 7.5 tonnes, from proceeding in certain roads in the Parishes of Glenfield and Kirby Muxloe, including Kirby Road (for its entire length) and Glenfield Lane (for its entire length). The Order came into force on 16th May 1988.

By error, the notice of the making of the Order also incorrectly included Kirby Road and Glenfield Lane in the description of the alternative route available for heavy commercial vehicles affected by the prohibition in the Order and that description also included reference to New Parks Boulevard, Leicester, which should have been a reference to New Parks Way, Leicester.

The relevant paragraph of the notice should have read "During the experimental period the alternative route available for heavy commercial vehicles not exempted as specified above which have previously proceeded through Glenfield will be via Ratby Lane, Kirby Muxloe; Ratby Lane, Leicester Forest East; Hinckley Road (A47) Braunstone; Hinckley Road (A47), New Parks Way, Groby Road (A50), Leicester; and Leicester Road (A50) Glenfield; and *vice versa*."

CITY COUNCIL OXFORD

Off-street and park-and-ride Car Parks—Enforcement of Regulations

Gloucester Green Underground Car Park—Control of Use

Notice is hereby given that the Oxford City Council, with the consent of the Oxfordshire County Council, proposes to introduce a fixed penalty charge of £20 at each of its off-street and park-and-ride car parks for the following breaches of car park regulations:

- Parking in a prohibited area.
- Parking in a parking area which is closed.
- Causing an obstruction.
- Parking in a manner in which the whole or part of the vehicle is outside of the marked bay.
- Unauthorised class of vehicle.
- Parking in an area designated for a specific class of vehicle.

The Council does at present have the power to remove from the car parks vehicles offending against the above car park regulations. It also has the ability to take Court proceedings. However, these methods are either time-consuming or costly and the Council believes that the issue of fixed penalty notices would be simpler and less costly.

The new underground car park at Gloucester Green is scheduled to open at the end of June. The Council intends to introduce the sort of use conditions and the same charges which apply at present at the other off-street car parks in central Oxford. The car park will be closed at night and there will be penalty charges if a vehicle is left in the car park overnight (£20) and if a driver requires her or his vehicle to be released from the car park during the time when it is closed (£50).

The Parking Place Orders giving effect to these proposals are entitled "The City of Oxford (Off-street Parking Places) Order 1988" and "The City of Oxford (Park-and-Ride Parking Places) Order 1988". Full details of the proposals are in the draft Orders which, together with a statement of the Council's reasons for making them may be examined at my office at the address given below between 9 a.m. and 4 p.m. on Mondays to Fridays.
