TREASURY MINUTE dated 27th June 1988.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 27th June 1988 and until the coming into operation of a further determination:

The effect of the Order would be, firstly, that the length of road specified in Schedule 1 to this notice would become subject to the national limit, instead of the present 40 m.p.h. speed limit. Secondly, that the length described in Schedule 2 would cease to be a restricted road for the purpose of section 81 of the Road Traffic Regulation Act 1984. This will confirm its derestricted status. Otherwise it would become subject to a speed limit of 30 m.p.h. by reason of the street lighting.
