TREASURY MINUTE dated 5th July 1988.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 6th July 1988 and until the coming into operation of a further determination:

- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

STATUTES IN FORCE

Complete ★ Convenient ★ Up-to-date

Statutes in Force is the official revised edition of the statutes and sets out the text of the current statute law.

It is the only official statement of the complete legislation and incorporates all specific amendments subsequently brought about by both primary and secondary legislation.

The complete edition consists of 104 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in 125 subject groups, which can be purchased separately. Subjects include:

Charities	Insolvency, Bankruptcy and Winding Up
Companies	Landlord and Tenant
Contract	Legal Aid
Employment	Partnerships and Business Names
Family Law	Sale of Goods
Friendly and Other Societies	Stamp Duty
Income, Corporation and Capital Gains Taxes	Tort and Delict

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation — for the whole set, for subject groups, or for individual Acts.
