The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 9th November 1988 and until the coming into operation of a further determination:

- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

EAST SUSSEX COUNTY COUNCIL

*The East Sussex (Cuilfail Tunnel, Lewes) (Traffic Regulation)
Order 1988*

Notice is hereby given that, with reference to Public Notice No. 768 which appeared in issue No. 51445 of the *London Gazette* on 19th August 1988, East Sussex County Council has made an Order under sections 1(1) and (2), 2(1) to (3), 3(2) and 4(2) of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984 which has the effect of amending certain traffic restrictions applying to the Cuilfail Tunnel, Lewes.

One effect of the previous restrictions applying to the tunnel was to prohibit access for pedestrians at all times, creating difficulties in certain situations where the use of the tunnel by persons on foot is unavoidable. That Order has therefore been revoked, and replaced by a new Order which is identical in its effect except that it permits pedestrian access to the tunnel under certain circumstances. These include emergencies, vehicle breakdowns, the removal of obstructions to traffic and the maintenance of the tunnel. This opportunity has also been taken to incorporate in the new Order several minor administrative corrections which do not affect the use of the tunnel. The Order will come into operation on Monday, 14th November 1988.

A copy of the Order and a plan showing the length of road affected may be examined at my office between the hours of 9 a.m. and 4 p.m. on Monday to Friday inclusive until 21st December 1988.

Any person who desires to question the validity of the Order, or of any provision contained in it, on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984 or on the grounds that any requirement of that Act or of any Instrument made under it has not been complied with in relation to the Order, may within 6 weeks of 9th November 1988 apply to the High Court for this purpose.

J. F. Hemmings, Acting County Secretary

EAST SUSSEX COUNTY COUNCIL

The East Sussex (Various Roads) (Weight Restriction) Order 1988

Notice is hereby given that East Sussex County Council has made an Order under sections 1(1) and (2), 2(4) and 3(2) of, and Part IV of the Schedule 9 to, the Road Traffic Regulation Act 1984 which permits the Council to substitute road signs showing 7.5 tonne metric weight limits in place of all existing signs showing equivalent 3 ton imperial weight limits, on all roads in East Sussex which are at present subject to such restrictions. The Order will not affect or alter the actual restrictions, or the types of vehicles to which they apply.

This substitution has been made for administrative reasons, to comply with instructions issued to all highway authorities to convert their existing signing to metric equivalents by 31st December 1989.

East Sussex have now complied with this requirement, and the above Order giving effect to the new signs will come into operation on 14th November 1988.

A copy of the Order and a list of the existing Orders amended by it may be examined at my office between the hours of 9 a.m. and 4 p.m. on Monday to Friday inclusive until 21st December 1988.

Any person who desires to question the validity of the Order, or of any provision contained in it, on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984, or on the grounds that any requirement of that Act or of any Instrument made under it has not been complied with in relation to the Order, may with 6 weeks of 9th November 1988 apply to the High Court for this purpose.

STATUTES IN FORCE

Complete ★ Convenient ★ Up-to-date

Statutes in Force is the official revised edition of the statutes and sets out the text of the current statute law.

It is the only official statement of the complete legislation and incorporates all specific amendments subsequently brought about by both primary and secondary legislation.

The complete edition consists of 104 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in 125 subject groups, which can be purchased separately. Subjects include:

Charities	Insolvency, Bankruptcy and Winding Up
Companies	Landlord and Tenant
Contract	Legal Aid
Employment	Partnerships and Business Names
Family Law	Sale of Goods
Friendly and Other Societies	Stamp Duty
Income, Corporation and Capital Gains Taxes	Tort and Delict

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation — for the whole set, for subject groups, or for individual Acts.
