NOTICE

TREASURY MINUTE dated 22nd November 1987.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 23rd November 1988 and until the coming into operation of a further determination:

- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

PRIVATE LEGISLATION PROCEDURE (SCOTLAND) ACT 1936

Notice is hereby given in terms of section 1(4) of the Private Legislation Procedure (Scotland) Act 1936 that the Secretary of State for Scotland, the Chairman of Committees of the House of Lords and the Chairman of Ways and Means in the House of Commons having considered the representation by the National Westminster Bank Plc that it is expedient that the under-mentioned Parliamentary powers, to be operative in Scotland and England, which the Bank desires to obtain should be conferred by one enactment, have decided that the said powers would more properly be obtained by the promotion of a Private Bill than by the promotion of a Private Bill and of a Provisional Order under the said Act.

National Westminster Bank Plc (hereinafter called "Nat West") carries on business as bankers in all parts of the United Kingdom and is authorised under the Banking Act 1987. International Westminster Bank Plc (hereinafter called "IWB") carries on similar business in all parts of the United Kingdom, as well as elsewhere, and is similarly authorised, being a wholly-owned subsidiary of Nat West.

The purpose of the Bill is to arrange for the better conduct of the business of the Nat West group of companies by providing for the fusion of the undertakings of these two banks by vesting in Nat West the undertaking IWB. Arrangements to this end have been agreed in principle within the group and Nat West is intended to assume responsibility for the obligations and liabilities of the business of IWB.

Provision will also be made for the saving of contracts, actions, arbitrations and other proceedings, the transfer to Nat West of the accounts of customers of IWB, and of securities held by IWB as

security for the payment of debts and liabilities, the substitution of references to Nat West for references to IWB in documents and for other matters incidental, supplementary and coincidental to the proposals of the Bill. (828)
