WATER RESOURCES ACT

SOUTHERN WATER AUTHORITY

Explanatory Statement

Southern Water is entitled to abstract water for public supply from many sources on the Isle of Wight. Rights to abstract were inherited from the former Isle of Wight River and Water Authority which itself inherited them from predecessor bodies in 1965. Although entitled to abstract by the Isle of Wight River and Water Authority Act 1964 and prior legislation, that Authority did not seek licences for its sources under the Water Resources Act 1963. Southern Water is now seeking licences under the Water Resources Act 1963 for its public water supply sources. All of these licences will reflect the current abstraction position, which in many cases has not changed since 1965. In no cases do these applications represent any increase over current abstraction. This explanatory statement is intended to explain the context of the public notice which follows:

WATER RESOURCES (LICENCES) REGULATION 1965

Notice of preparation of draft licence to abstract water

Notice is hereby given that in accordance with Part IV of the Water Resources Act 1963 and Part III of the Water Resources (Licences) Regulations 1965 the Southern Water Authority has prepared draft licences embodying the Authority's proposals to abstract water from existing public water supply sources on the Isle of Wight.

The proposals are to licence the abstraction of water from sources established prior to 1965. The Schedule to this notice sets out the locations, sources of supply and quantities to be authorised for abstraction.

Copies of the draft licences and of other relevant documents may be inspected by the public free of charge at all reasonable hours during the period beginning on 27th February 1989 and ending on 31st March 1989 at the offices of the Authority at Guildbourne House, Chatsworth Road, Worthing, West Sussex, and at St. Nicholas, 58 St. John's Road, Newport, Isle of Wight.

Any person who wishes to make representations with respect to the authority's proposals must do so in writing to the Chief Solicitor, Southern Water Authority, Guildbourne House, Chatsworth Road, Worthing, West Sussex BN11 1LD, before the end of the said period as above. Copies of such representations will be forwarded by the Chief Solicitor to the Secretary of State for the Environment.

After the expiry of the said period the Authority will be entitled to pass a resolution by virtue of which a Licence authorising the proposals shall be deemed to be granted, unless the Secretary of State for the Environment either in consequence of any representations made regarding the proposal or otherwise requires an application for the licence to be made to him.

It is the only official statement of the complete legislation and incorporates all specific amendments subsequently brought about by both primary and secondary legislation.

The complete edition consists of 104 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in 125 subject groups, which can be purchased separately. Subjects include:

Charities	Insolvency, Bankruptcy and Winding Up
Companies	Landlord and Tenant
Contract	Legal Aid
Employment	Partnerships and Business Names
Family Law	Sale of Goods
Friendly and Other Societies	Stamp Duty
Income, Corporation and Capital Gains Taxes	Tort and Delict

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation — for the whole set, for subject groups, or for individual Acts.
