*The Proposed Great Yarmouth Port Authority Harbour Revision Order 1989*

Notice is hereby given by the Secretary of State for Transport that a Public Local Inquiry in connection with the above-proposed Order will be held by Rear Admiral Sir Leslie Townsend, K.C.V.O., C.B.E., (a person appointed by the Secretary of State for that purpose), at St. George's Theatre, King Street, Great Yarmouth, on Tuesday, 4th April 1989, at 10 a.m., when representations from persons who have objected to the draft Order, and from any other persons who desire to appear, will be heard.

The Order, which has been proposed by the Secretary of State under sections 14 and 15 of the above Act, provides for the reconstitution of the Great Yarmouth Port and Haven Commissioners as the Great Yarmouth Port Authority, with individual Commissioners to be known as Members.

The Members are to consist of the Chief Executive and 9 other persons to be appointed as follows:

- (a) 1 by the Great Yarmouth Borough Council and 1 by the Norfolk County Council;
- (b) 3 by the General Council of British Shipping after consultation with persons appearing to them to be representative of ship owners using the Port of Great Yarmouth;
- (c) 1 by the British Shippers' Council after consultation with the Great Yarmouth Chamber of Commerce;

The Order makes consequential amendments and repeals enactments relating to the constitution of the Commissioners and contains procedural and incidental provisions.

A copy of the draft Order which accompanies the application may be seen at all reasonable hours at Room 1-2, Sunley House, 90 High Holborn, London W.C.1, and at the offices of the Great Yarmouth Port and Haven Commissioners.

4. The rental rate represents the rental payable per square kilometre of licensed acreage.

5. The Secretary of State may set a new rental rate upon completion of an oil price review. If a new rental rate is so set, it will come into force on 1st October of the year in which the oil price review has been carried out.

6. All rental rates except the first will be set for an initial period of three years and will remain in force thereafter until superseded by a new rental rate or until further notice. The first rental rate will be £1500 per square kilometre of licensed acreage.

7. Oil price reviews will be carried out at three-yearly intervals from the first review, which will be carried out early in 1990.

8. At the first review the Secretary of State shall determine the arithmetical average level over the three calendar years 1984, 1985 and 1986 of the monthly Crude Oil Price Index published in the Digest of UK Energy Statistics (the first figure), and the arithmetical average of the Crude Oil Price Index for the three calendar years 1987, 1988 and 1989 (the second figure), and shall express the increase or decrease between the first and second figure as a percentage of the first figure. The outcome of this calculation shall be called the percentage change.

9. At the second and all subsequent oil price reviews the Secretary of State shall perform an equivalent calculation based on the arithmetical average of the oil price index over the three calendar years immediately preceding the last oil price review and the arithmetical average of the oil price index in the last three calendar years immediately preceding the year of the review.

10. Except where he sets a deemed rental rate under paragraph 12, the Secretary of State shall set a new rental rate by applying the percentage change derived from the calculation referred to in either paragraph 8 or 9 above to the existing rental rate, and thereby producing a new rental rate.

11. Where the existing rental rate is a deemed rental rate the Secretary of State shall perform the calculation referred to in paragraph 8 or 9 above but substituting for the first figure the notional level of the Crude Oil Price index which would have produced the existing deemed rental rate. He shall then apply the percentage change so derived to the existing deemed rental rate to produce a new rental rate.

12. The Secretary of State shall set a deemed rental rate:

- (a) the rental rate derived from the oil price review would be less than £1,500 in which case the deemed rental rate will be £1,500;
- (b) the rental rate derived from the oil price review represents less than a 10 per cent change (either upwards or downwards) in the level of the existing rental rate (whether deemed or not), in which case the new deemed rental rate will be the same as the existing rental rate.
