TREASURY

RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 11th April 1989.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 12th April 1989 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

PERFORMING RIGHT TRIBUNAL

COPYRIGHT ACT 1956

Notice is hereby given, pursuant to Rule 5 of the Performing Right Tribunal Rules 1965, of a reference to the Tribunal under section 25 of the Copyright Act 1956, by the Working Men's Club and Institute Union Limited of Club Union House, 251-256 Upper Street, London N1 1RY (hereinafter called "the Originator").

In bringing this reference to the Tribunal, the Originator is seeking to reduce the level of the royalties payable under the said Tariff.

Any Organisation or person wishing to be made a party to the proceedings or wishing to object to the credentials of the Originator should apply to the undersigned in the manner prescribed by the Performing Right Tribunal Rules 1965 not later than 8th May 1989.

Notice is hereby given that the County Council of Avon proposes to make an Order under sections 1, 2, 4, 9, 19, 32, 35, 45, 46, 49 and 53 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984.

The general effect of the draft Order will be to amend Orders, with an operative date prior to 1st January 1989, made or having effect as if made by the County Council of Avon so that any public service vehicle, whilst operating as a local service, will be exempt from the provisions of those Orders which prohibit vehicles from waiting on roads which form bus routes. This Order is required by virtue of the repeal by Schedule 8 of the Transport Act 1985 of section 3(4) of the Road Traffic Regulation Act 1984 which provided that no prohibition or restriction on waiting imposed by any traffic regulation order should apply to local buses.

Full details of the proposal are contained in the draft Order, which, together with a map and a statement of the Council's reasons for proposing to make the Order, may be inspected at the undermentioned offices during normal office hours (callers should report to Reception and ask for the Traffic Management Section).

The consequences of designation include:

- (1) Future development in the Conservation Area would be subject to planning controls designed to secure the preservation of the character and general improvement of the area.
- (2) The Prior approval of the planning authority may be required for the demolition of buildings within the Conservation Area. (Application for approval must be made separately from an application for planning permission for the redevelopment of a site within a Conservation Area.)
- (3) Certain trees within the Conservation Area cannot be felled, topped, lopped or up-rooted unless 6 weeks prior notification has been given to the South Somerset District Council. If the trees are already protected by a Tree preservation Order then application for consent is required. If any wilful damage or wilful destruction is caused to the trees an offence may have been committed.
- (4) If it is intended to demolish any building(s) or part(s) of a building(s) or carry out any works which may in any way affect a tree within the Conservation Area, the prior advice of the South Somerset District Council should be sought.

The map showing the precise boundary of the designated Conservation Area has been deposited at the offices of the Chief Executive and Clerk, South Somerset District Council, Brympton Way, Yeovil, and the Chief Planning Officer at 91 Preston Road, Yeovil, and may be inspected between the hours of 9 a.m. and 12.30 p.m. and 2 p.m. and 4 p.m. on Mondays to Fridays inclusive.

MID SUSSEX DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971, SECTION 277 (AS AMENDED)

Designation of areas of land in Haywards Heath at Franklands Village, Lewes Road, Lucastes and The Heath, and in Cuckfield at Whitemans Green as Conservation Areas and the extension of the Conservation Areas at Cuckfield and Lindfield, West Sussex

Notice is hereby given that at their Meeting held on 21st March 1989, the Mid Sussex District Council designated certain areas of land in the county of West Sussex as Conservation Areas. These areas are described below and shown in detail on Drawing Numbers CU.1.13 to CU.1.19 respectively.

The Franklands Village Conservation Area centres around the village football ground, Hall and Church and includes properties in Reed Pond Walk and Gravelly Lane.

The Lewes Road Conservation Area includes the properties to the north and south of the Lewes Road from the Birch Hotel in the west to 132 Lewes Road in the east.

The Lucastes Conservation Area includes the properties in Lucastes Avenue, Lucastes Road and Lucas Way, as well as parts of Paddockhall Road, Sergison Road and Culross Avenue.

The Heath Conservation Area includes the Recreation Ground and parts of Oathall Road, Heath Road, Sydney Road, Farlington Close and Oathall Avenue.

The Whitemans Green Conservation Area centres around the Green at the junction of the B2114 and London Road, Cuckfield and extends from Burrell Cottages in the west to Vidlers Cottage in the north and Braynesmead Cottages in the south-east.

The extension to the Cuckfield Conservation Area encompasses the properties on the northern and southern sides of Courtmead Road.

The extension to the Lindfield Conservation Area encompasses the eastern section of Black Hill from the Common to the junction with Hickmans Lane.

The designation of a Conservation Area affords additional statutory planning controls:

- (a) Conservation Area Consent is normally required for the demolition of a building within a Conservation Area;

- (b) the size of dwelling extension which may be built without the need for express planning permission ("Permitted Development") is less than outside Conservation Areas. There are also additional restrictions on the construction of dormer windows and the application of cladding;
- (c) trees within a Conservation Area may not be cut down, topped, lopped, uprooted, or wilfully damaged or destroyed without prior notice being given to the Local Planning Authority (6 weeks). This provides the Local Planning Authority with the opportunity to consider making a Tree Preservation Order; and
- (d) publicity is given to any planning application which would affect the character of a Conservation Area.

Copies of the drawings showing the Conservation Areas have been deposited at the Council Offices, Mid Sussex District Council, Oaklands, Oaklands Road, Haywards Heath, and may be inspected free of charge by all interested persons from Monday to Thursday between the hours of 9 a.m. to 5 p.m. and on Friday between the hours of 9 a.m. to 4 p.m.

It is the only official statement of the complete legislation and incorporates all specific amendments subsequently brought about by both primary and secondary legislation.

The complete edition consists of 104 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in 125 subject groups, which can be purchased separately. Subjects include:

Charities	Insolvency, Bankruptcy and Winding Up
Companies	Landlord and Tenant
Contract	Legal Aid
Employment	Partnerships and Business Names
Family Law	Sale of Goods
Friendly and Other Societies	Stamp Duty
Income, Corporation and Capital Gains Taxes	Tort and Delict

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation — for the whole set, for subject groups, or for individual Acts.
