STATUTES IN FORCE

Complete ★ Convenient ★ Up-to-date

Statutes in Force is the official revised edition of the statutes and sets out the text of the current statute law.

It is the only official statement of the complete legislation and incorporates all specific amendments subsequently brought about by both primary and secondary legislation.

The complete edition consists of 104 looseleaf binders, holding some 60,000 pages in all.

The Acts are arranged in 125 subject groups, which can be purchased separately. Subjects include:

| | |
|---|---------------------------------------|
| Charities | Insolvency, Bankruptcy and Winding Up |
| Companies | Landlord and Tenant |
| Contract | Legal Aid |
| Employment | Partnerships and Business Names |
| Family Law | Sale of Goods |
| Friendly and Other Societies | Stamp Duty |
| Income, Corporation and Capital Gains Taxes | Tort and Delict |

Individual Acts showing all subsequent amendments to the original legislation can be supplied, and an *updating service* is also available to supply customers automatically with subsequent amendments to the legislation — for the whole set, for subject groups, or for individual Acts.
