- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

The combined quantity will thus become 3,318,261 cubic metres per year (9,091 cubic metres per day on average).

- (b) The proposed *daily* authorised quantity to accommodate fluctuations and peaks in the Uttoxeter area demand is for a 40% enhancement on the average figure of 9,091 cubic metres per day). The daily combined quantity will thus be 12,727 cubic metres per day.

(bii) Subject to the combined daily total given above of 12,727 cubic metres per day the individual daily output limits shall be 9,819 cubic metres per day for Crumpwood boreholes (SK 091 428) and 7,000 cubic metres per day at Hulme boreholes (SK 065 428).

The current authorised daily quantities are 450,000 gallons per day (2,046 cubic metres per day) for licence 3/28/30/115/SG/R and 2,160,000 gallons per day (9,819 cubic metres per day) for licence 3/28/30/167/G.

*The County Council of Surrey (A323 Aldershot Road, Worplesdon) (Speed Limit De-restriction) Order 1989*

Notice is hereby given that Surrey County Council propose to make an Order under section 82(2) of and Parts III and IV of Schedule 9 to the Road Traffic Regulation Act 1984, the effect of which will be to de-restrict the speed limit on that length of A323 Aldershot Road, Worplesdon which extends from a point 80 metres south-east of its junction with Fairlands Avenue to a point 200 metres west of its junction with Holly Lane, and thereby retain the national speed limit (60 m.p.h.).

**Reason:** The Order is required in order to comply with the County Standard on speed limits, the criteria of which do not justify the imposition of a 30 m.p.h. limit which would automatically be applied to this road following the installation of the new street lighting system.

A copy of the proposed Order together with a map showing the road to which the Order relates may be inspected at the office of the Clerk and Solicitor between the hours of 9 a.m. and 4.30 p.m. Mondays to Fridays. Objections to the proposal, together with the grounds upon which they are made must be sent in writing to the undersigned by 15th September 1989, quoting ref. JA/421/515.

TOWN AND COUNTRY AMENITIES ACT 1974

*Weymouth and Portland Borough Extension to the Weymouth Town Centre Conservation Area*

Notice is hereby given that the Weymouth and Portland Borough Council has designated part of the Greenhill area of Weymouth as a Conservation Area under the provisions of the above Acts; the area is more fully described in the Schedule to this notice.

The effect of designation is that special attention will be paid by the Council to the desirability of preserving or enhancing the character or appearance of the area concerned. Future development and advertising in the Conservation Area will be subject to strict planning control designed to secure the preservation of the character and general improvement of the area. Subject to certain exceptions, therefore, demolition of buildings or any part of a building within the Conservation Area will now require the approval of the Council as a Local Planning Authority.

In addition certain trees within the Conservation Area cannot be felled, topped or lopped or uprooted without the consent of the Weymouth and Portland Borough Council. If the trees are subject to wilful damage or wilful destruction an offence may have been committed.

Documents, including the map showing the precise boundaries of the designated area, have been deposited at the offices of the Chief Planning Officer at Municipal Offices, North Quay, Weymouth, and may be inspected during normal office hours.

*Extension to the Weymouth Town Centre Conservation Area*

SCHEDULE

The Greenhill extension to the Weymouth Town Centre Conservation Area includes the following properties and their curtilages:

- (i) 7, 9, 11, 13, and 15 Greenhill;
- (ii) 6, 8 Melcombe Avenue;
- (iii) 9 Westerhall Road.

The north-western boundary is defined by Melcombe Avenue and the rear of the curtilages of 13 and 15 Greenhill. From here the boundary runs south-east alongside no. 15 Greenhill and northwards along Greenhill Road to the tennis courts which form the north eastern edge of the area. The eastern boundary runs perpendicular to the Esplanade along the High Water Mark meeting the original Conservation Area boundary, including Greenhill Gardens, towards the junction of Greenhill and Westerhall Road. The Greenhill extension does not however coincide with Westerhall Road; the southern boundary instead includes no. 7 Greenhill and runs alongside the curtilage of the Royal Eye Infirmary (disused) and around no. 9 Westerhall Road to Melcombe Avenue.

Notice is hereby given that the Weymouth and Portland Borough Council has designated the southern end of Dorchester Road and the Lodmoor Hill area of Weymouth as a Conservation Area under the provisions of the above Acts; the area is more fully described in the Schedule to this notice.

The effect of designation is that special attention will be paid by the Council to the desirability of preserving or enhancing the character or appearance of the area concerned. *Lodmoor Hill Conservation Area*

## SCHEDULE

The Lodmoor Hill Conservation Area is one of mixed uses predominantly large residential properties interspersed with hotels and institutional premises.

The original buildings were laid out on plots with large gardens and consequently there are many trees, some of which provided avenues that once extended alongside the roads. High garden walls adjoin the footpaths, also characteristic of the area.

Historically the area was once the home of the Dorset Yeomanry and some of the barrack buildings and living quarters still remain.

Following the completion of the Georgian Esplanade in Weymouth the Lodmoor Hill area was the result of the expansion of Melcombe Regis and contains a variety of Victorian and Edwardian architecture.

The north-western boundary of the area largely follows the line of Alexandra Road crossing Dorchester Road north of No. 64. The eastern boundary then follows the plot boundaries of those residences on Dorchester Road southwards to Westerhill. The southern boundary again crosses Dorchester Road to Park Lane, then runs northwards along the Lane to the rear of 1, 3, and 5 Carlton Road North. From here the boundary runs westward to the rear of the properties on Glendinning Avenue and south to Carlton Road South, then follows the road to the western boundary which runs from the railway embankment off Carlton Road South northwards to the properties off Lyndhurst Road. The rear boundaries of the properties off Alexandra Road are then followed to Southfield Avenue.
