NATIONAL RIVERS AUTHORITY

WATER RESOURCES ACT 1963

WATER RESOURCES (LICENSES) REGULATIONS 1965

Notice of proposal to vary a licence to abstract water

Notice is hereby given that the National Rivers Authority in pursuance of section 43 of the Act have formulated proposals to vary licence serial number 8/36/11/66. The proposed variation is to add to the licence the abstraction of water from boreholes sunk into the chalk underground strata at the following locations in the county of Suffolk:

<i>Point of Abstraction</i>	<i>National Grid Map Reference</i>	<i>Proposed Maximum Quantity to be Abstracted in any (a) daily or (b) annual period</i>	
<i>In Babergh District</i>			
1. Cranmore Green, in the parish of Long Melford	TL 849 478	(a)	12,000 cubic metres
		(b)	4,380,000 cubic metres
<i>In St. Edmundsbury District</i>			
2. Scott's Farm, in the parish of Cavendish	TL 796 462	(a)	12,000 cubic metres
		(b)	4,380,000 cubic metres
3. Danum Lake, in the parish of Clare	TL 763 443	(a)	500 cubic metres
		(b)	100,000 cubic metres
4. Purbeck House, Stoke Road in the parish of Clare	TL 760 446	(a)	250 cubic metres
		(b)	50,000 cubic metres

The proposed abstractions at Cranmore Green and Scott's Farm will also be subject to a combined maximum quantity to be abstracted in any period of fifteen years of 9,450,000 cubic metres.

The purpose of the abstraction of water from these boreholes is to regulate and augment flows and levels of water in the River Stour during periods of low natural flow and hence to safeguard the abstraction of water from the river for public water supply and other purposes, and also to maintain the levels in certain inland waters which might otherwise be affected by the abstraction of water from the underground strata at existing or the proposed river regulation boreholes. The inland waters into which the water abstracted from the boreholes listed above is to be discharged, the discharge being in the same parish as the corresponding abstraction, are as follows:

Borehole Number	Location of Discharge Point	National Grid Map Reference
1.	River Glem at Cranmore Green	TL 849 478
2.	Unnamed tributary of the River Stour at Scott's Farm, Cavendish	TL 796 462
3.	Danum Lake, Clare	TL 763 443
4.	Three small ponds in the grounds of Purbeck House, Stoke Road, Clare	TL 760 446

It is intended that abstraction, other than for testing and routine maintenance purposes, will take place only at times of low natural flow or level in the receiving watercourse or inland water.

A copy of the proposals and of any maps, plans or other documents prepared in connection with them may be inspected free of charge at all reasonable hours during the period beginning on 19th January 1990 and ending on 16th February 1990 at the premises of the Authority at Cobham Road, Ipswich, Suffolk, at the Public library at Sudbury, Suffolk, and at the Post Office at Clare, Suffolk.

Any person who wishes to make representations about these proposals should do so in writing to the Regional Manager (Environment and Fisheries) at Kingfisher House, Goldhay Way, Orton Goldhay, Peterborough PE2 0ZR, before the end of the said period. Copies of all such representations received by the Authority will be forwarded to the Secretary of State for the Environment.

After the expiry of the said period the Authority will be entitled to pass a resolution by virtue of which the said Licence to abstract water shall be deemed to be varied unless the Secretary of State for the Environment, either in consequence of any representations made with respect to the proposals, or otherwise, requires the application for the said Licence variation to be made to him.

*The Borough of Eastbourne (Access Road to The Paddock)
(Prohibition of Driving) Order 1990*

Notice is hereby given that, with reference to Public Notice No. 734 which appeared in issue No. 51878 of the *London Gazette* on 21st September 1989, Eastbourne Borough Council (acting as agents for East Sussex County Council) has made an Order under sections 1(1) and (2) and 2(1) to (3) of the Road Traffic Regulation Act 1984, which closes the access road leading to The Paddock to through traffic by positioning bollards across the access road immediately north-east of its junction with The Paddock. Access to The Paddock, and to the garages immediately opposite and south-west of that junction, will now be via Percival Road; access to the remaining garages and properties served by the access road will be via Southern Road.

This measure is intended to prevent the use of the access road as a 'short cut' between Southern Road, and Percival Road, as it is considered to be unsafe and unsuitable as a through route.

This Order will formally come into operation on 22nd January 1990. A copy of the Order and a plan showing the road affected, may be examined at the Town Hall, Grove Road, Eastbourne, until 28th February 1990.

Any person wishing to question the validity of the Order, or of any provision contained in it, on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984, or that any requirement of the Act, or of any Instrument made under it has not been complied with in relation to the Order may, within 6 weeks of 17th February 1990, apply to the High Court for this purpose.
