

10. The capacity and type of each unit within the generating station (MW).

Guaranteed electrical output at 10°C ambient temperature:

Gas Turbine driven generator	165.6 MW
Steam Turbine driven generator	63.1 MW
Total (gross output)	228.7 MW
Net output (less station auxiliaries)	224.1 MW

11. A statement of the extent (if any) to which the applicant considers it necessary for powers under Schedule 3 (compulsory acquisition of land etc.) and under Schedule 4 (other powers etc.) to the Act to be given through the licence for which he is applying:

Not applicable.

12. Details of any licences held, applied for or being applied for by the applicant in respect of the generation, transmission or supply of electricity:

None.

Taylor Joynson Garrett, Solicitors on behalf of Lakeland Power Development Company Limited.

1st April 1990.

NOTICE UNDER REGULATIONS 3(4) AND 4(4) OF THE ELECTRICITY (APPLICATIONS FOR LICENCES AND EXTENSIONS OF LICENCES) REGULATIONS 1990

SCHEDULE 4

Regulations 3(4) and 4(4)

PART I

Form of Application for a Generating Licence

- Full name of the applicant(s):
Lakeland Power Limited
- Address of the applicant(s), or in the case of a body corporate, the registered or principal office:
48 Leicester Square, London WC2H 7NN.
- Where the applicant is a company, the full names of the current Directors and the company's registered number:
Directors: Eric Drewery, Gunnar Johannesson, Eric Ratcliff, Neil Bryson, Susan Nymberg.
Registered No: 2355290.
Where a holding of 20 per cent. or more of the shares (see Note 1) of an applicant is held by a body corporate or partnership or an unincorporated association carrying on a trade or business with or without a view to profit, the name and address of the holder of such shares shall be provided.
Pridehold Limited whose registered office is situate at 48 Leicester Square, London, is the beneficial owner of 100 per cent of the issued share capital of Lakeland Power.
- Desired date from which the licence is to take effect.
16th April 1990.
- The number of generating stations intended to be operated under the licence (if granted):
At present, one.
- A sufficient description adequately specifying (see Note 2) the actual or proposed locations of those stations. Descriptions of proposed locations must be sufficient to make clear the nature and extent of the proposed development:
Roosecote Power Station site, situate at Rampside Road, Roosecote, Barrow-in-Furness, in the county of Cumbria, shown for the purpose of identification only by a thick black line on the enclosed site plan (L.P.I.) The proposal involves the utilisation and redevelopment of the existing Power Station building identified on the said plan by red edging.
The plan may be viewed between 10 a.m. and 4 p.m. on any working day at the Office of Electricity Regulations, North-West division, Boulton House, 17-21 Charlton Street, Manchester M19 3DE.
- A description of how those stations will, in each case, be fuelled or driven:

The station will be fuelled by natural gas supplied from British Gas on an interruptible basis. During periods of interruption gas oil (BS 2869 Class A2 & D) will be used.

9. The date when any proposed generating stations are expected to be commissioned:

Generator Driver	Commissioning	First Firing	First Synchronisation
Gas Turbine	May 1991	June 1991	Mid June 1991
Steam Turbine	Mid June 1991	Not Applicable	August 1991

10. The capacity and type and type of each unit within the generating station (MW):

Guaranteed electrical output at 10°C ambient temperature

Gas Turbine driven generator	165.6 MW
Steam Turbine driven generator	63.1 MW
Total (gross output)	228.7 MW
Net output (less station auxiliaries)	224.1 MW

1. A statement of the extent (if any) to which the applicant considers it necessary for powers under Schedule 3 (compulsory acquisition of land etc.) and under Schedule 4 (other powers etc.) to the Act to be given through the licence for which he is applying.
Not applicable.

12. Details of any licences held, applied for or being applied for by the applicant in respect of the generation, transmission or supply of electricity:

None.

Taylor Joynson Garrett, Solicitors on behalf of Lakeland Power Limited.

1st April 1990

ROAD TRAFFIC ACTS

BIRMINGHAM CITY COUNCIL

Birmingham City Council (Dyas Road, Old Oscott) (Prohibition of U-turn) Order 1990

Notice is hereby given that the above-named Council propose to make an Order under sections 1(1) and (2), 2(1) to (3) and Part VI of Schedule 9 of the Road Traffic Regulation Act 1984, the effect of which will be to introduce a ban on U-Turns for traffic proceeding in Dyas Road upon reaching its junction with Kingstanding Road.

It will be necessary to vary the existing traffic Regulation Order to introduce this restriction.

Full details of the proposals are in the draft Order which, together with a map and a statement of the Council's reasons for the proposals, may be examined at the offices of the Central Executive Department Directorate of Law and Regulation, Paradise Place, Birmingham B3 3EH, during normal working hours.

Any person wishing to object to the proposed Order should write to the undersigned stating the grounds for the objection by 23rd of April 1990.

S. A. Dobson, Solicitor to the Council

2nd April 1990.

BOLTON METROPOLITAN BOROUGH COUNCIL

The Bolton (Dawes Street) (Disabled Persons Parking Places) (No.) Order 1990

Notice is hereby given that the Borough Council of Bolton propose to make an Order under sections 1, 2, 32 and 35 of the Road Traffic Regulation Act 1984 relating to disabled persons parking places.

This proposal will authorise the use of the part of the road as free parking places for five disabled persons' vehicles displaying a disabled person's badge at any time on any day at Dawes Street west side extending from a point 17 metres south of Great Moor Street for a distance of 30 metres in a southerly direction, as more specifically shown on drawing No. 21117/1.

A copy of the draft Order, together with relevant plan and statement of the Council's reasons for the proposal may be inspected at Room, 109, Town Hall, Bolton, during normal office hours.
