TOWN AND COUNTRY PLANNING ACT, 1971  
TOWN AND AMENITIES ACT, 1974  
DESIGNATION OF CONSERVATION AREA  
EXTENSION TO AN EXISTING  
CONSERVATION AREA**

NOTICE IS HEREBY GIVEN that following a resolution of the Neath Borough Council on 23rd March 1990, the Church Place Conservation Area has been extended under Section 277 of the Town and Country Planning Act, 1971. The Church Place Conservation area has been extended to include the Friends Meeting House, the Neath Castle and its immediate surroundings fronting Castle Street, Neath. The main effect of the designation is that special attention should be paid to the desirability of preserving or enhancing the character of the area so designated. In particular controls are applied regarding the demolition of buildings (owners are required to apply to the Council for Conservation Area Consent before carrying out works for the demolition to any building or part of a building within the Conservation Area), to require that the Council advertise planning applications for development which would in the opinion of the local planning authority, affect the character or appearance of the conservation area. Control is also imposed in respect that no trees may be cut down, topped, lopped or uprooted without the written consent of the Local Authority. Maps showing the extent of the designated area are available for inspection during normal office hours in the Directorate of Development and Control, Civic Centre, Neath. G. A. I. Jenkins, Director of Development & Control, Neath Borough Council, Civic Centre, Neath SA11 3QZ.
