My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 25th April 1990 and until the coming into operation of a further determination:

PUBLIC NOTICE

The A16 Spalding to Sutterton Improvement Alternative Route Suggested by an Objector

The Department of Transport published proposals on 25th August 1989 for an improvement to a section of the A16 Trunk Road from Spalding to Sutterton in Lincolnshire as indicated on the plan below. The plan also shows an alternative route which has been interpreted by the Department from descriptions given by an objector and will be considered during the course of Public Local Inquiries which are to commence at 10 a.m. on Tuesday, 22nd May 1990, at the Elloe Hall, South Holland Centre, Market Place, Spalding, Lincolnshire.

The Published Route

The published route would leave the existing A16 at a point 245 metres due south of Luck's Bridge (to the south of Spalding), travel eastwards to form a junction with (A1073) Barrier Bank, then northwards to form junctions with (B1165) Low Road and (A151) Holbeach Road, and terminate at a junction with (A17) Station Road just south-east of the former Algarkirk level crossing near Algarkirk.

Objector's Alternative Route

The objector's alternative route would diverge from the published route to the south of the proposed B1165 Low Road roundabout junction shown in the Draft Orders. It would form a roundabout junction with the B1165 Rangell Gate further to the south-east and then continue in a northerly direction severing Kellet Gate, Cross Gate, and Elm Lane tying back into the published route at the proposed A151 roundabout on Holbeach Road.

Where the objector's alternative route would sever the three minor roads, they would be closed to vehicular traffic, but a new link road would be proposed from Kellet Gate, linking into the roundabout on the B1165 Rangell Gate.

Those persons who consider themselves to be affected by the alternative route and who wish to make comment about it should do so by appearing (or being represented) at the Public Local Inquiries before the independent Inspector, or by writing to the Director (Transport), East Midlands Regional Office, Room 805, Cranbrook House, Cranbrook, Street, Nottingham NG1 1EY. MID SUSSEX DISTRICT COUNCIL**TOWN AND COUNTRY PLANNING ACT 1971,
SECTION 277 (AS AMENDED)*****Designation of areas of land at Handcross, Highbrook and Birch Grove as Conservation Areas and extension to existing Conservation Areas at Ardingly and Balcombe.***

Notice is hereby given that at a Meeting of their Development and Transport Committee held on 20th March 1990, Mid Sussex District Council designated three areas of land as Conservation Areas and extend two existing Conservation Areas in the county of West Sussex. These areas are described below and shown in detail on Drawing Numbers SV/1/16, HO/1/6, HK/1/5, AR/1/3 and BA/1/3.

The Handcross Conservation Area is centered on the village High Street, whilst those at Highbrook and Birch Grove encompass the majority of buildings that constitute each hamlet.

The extension to Ardingly Conservation Area includes properties in Church Lane and an area of woodland known as Butcher's Shaw to the south of Street Lane.

The extension of Balcombe Conservation Area includes properties in Stockcroft, Deanland and Victoria Roads as well as those in parts of Oldlands Avenue, London Road and Bramble Hill.

The designation of a Conservation Area affords additional statutory planning controls:

- Conservation Area Consent is normally required for the demolition of a building within a Conservation Area;
- the size of dwelling extension which may be built without the need for express planning permission ("Permitted Development") is less than outside Conservation Areas. There are additional restrictions on the construction of dormer windows and the application of cladding;
- trees within a Conservation Area may not be cut down, topped, lopped, uprooted or wilfully damaged or destroyed without prior notice of six weeks being given to the Local Planning Authority with the opportunity to consider making a Tree Preservation Order; and
- publicity is given to any planning application which would affect the character of a Conservation Area.

Copies of the drawings, showing the Conservation Areas, have been deposited at the Mid Sussex District Council Offices, Oaklands, Oaklands Road, Haywards Heath, and may be inspected free of charge by all interested persons from Monday to Thursday between the hours of 9 a.m. and 5 p.m., and on Friday between the hours of 9 a.m. and 4 p.m.
