WESTMINSTER CITY COUNCIL

Public Notice

TOWN AND COUNTRY PLANNING ACT 1971 (AS AMENDED)

Westminster City Council: Establishment of the Aldridge Road Villas/Leamington Road Villas Conservation Area

Notice is hereby given that on the 19th September 1989, the Westminster City Council as local planning authority designated a conservation area to be known as the Aldridge Road Villas/Leamington Road Villas Conservation Area under the provisions of Section 277 of the Town and Country Planning Act 1971 (As amended).

Conservation areas are designated in order to preserve or enhance the character or appearance of areas of special architectural or historic interest (as distinct from individual buildings), to control demolition in such areas and to stimulate and encourage measures to improve the environment.

Section 28 of the Act contains a special procedure for dealing with applications for planning permission for the development of land in or adjacent to a conservation area if the local planning authority is of the opinion that the development would affect the character or appearance of the area.

Section 277A of the Act brings demolition of buildings in conservation areas under control by applying, with modifications, the listed building controls applying to works to listed buildings. Conservation area consent must be sought for proposals involving the demolition of part or all of most buildings in a conservation area. Consent to demolish should not be taken to have been granted as part of the planning permission for redevelopment. In assessing whether or not consent should be granted, planning authorities take account of the importance of the building to the character or appearance of any part of the conservation area.

Section 61A of the Act extends the control over trees in conservation areas. Any persons wishing to cut down or carry out works to any such trees shall, subject to certain exemptions, give the local planning authority 6 weeks' notice of his intention of so doing, to enable the authority to decide whether or not to make a Tree Preservation Order.

The properties in the conservation area are described in the Schedule below.

A plan showing this area is available for public inspection at One Stop Services, Westminster City Hall, Victoria Street, London SW1E 6QP.
