One Inquiry will be a reopening of the Public Local Inquiry in connection with the Order specified in paragraph (1) below to hear objections and representations about the disposition of the Secretaries of State to disagree with the previous Inspector's recommendation that that Order should be made. The other Inquiries will be into the provisions of the Orders specified in paragraphs (2) to (5) below.

At the Inquiries the Inspector will hear representations in respect of the draft Orders from statutory objectors as defined in the Highways (Inquiries Procedures) Rules 1976 concerning the Orders specified in paragraphs (1) to (4) below, and in the Compulsory Purchase by Ministers (Inquiry Procedures) Rules 1976 concerning the Compulsory Purchase Order specified in paragraph (5) below. The bridge would commence from a point on the north bank of the River Thames about 282 metres south of the south-west corner of the Beckton Gas Works Storage Building, and terminate at a point about 475 metres east of the west side of the slipway on the old Woolwich Arsenal site measured from the Mean High Water Mark. The bridge would have a main navigation span of 374 metres, and a headroom of not less than 46.38 metres above Ordnance Datum Newlyn to be maintained 91.5 metres on either side of the common centre line of the navigational channel and the bridge.

This is an Order under sections 10 and 41 of the Highways Act 1980 which, if made, would provide that the new highways which the Secretary of State for Transport proposes to construct to connect:

(2) the Eastern Gateway Access Road with the Slip Road to the south bound carriageway of the trunk road;

(3) the north bound carriageway of the trunk road with the Eastern Gateway Access Road;

(4) the Eastern Gateway Access Road with the north bound carriageway of the trunk road; and

(5) the slip road from the north bound carriageway of the trunk road with the south bound carriageway of the Eastern Gateway Access Road;

would all become trunk roads.

The Order would also revoke provisions in the A406 North Circular Trunk Road (East London River Crossing (A13 to A2) Supplementary Trunk Road and Slip Roads) Order 1988 (SI 1988/1386) and make new provisions which would have the effect of deleting the slip road connecting the north bound carriageway of the trunk road with the South Woodford to Barking Relief Road and A13 Interchange.

This is an Order under sections 14, 125 and 326 of the Highways Act 1980 which, if made, would authorise the Secretary of State for Transport:

(1) to improve highways;

(2) to stop-up highways;

(3) to construct new highways;

(4) to stop-up private means of access to premises; and

(5) to provide new means of access to premises;

all at Beckton in the London Borough of Newham and at Thamesmead in the London Borough of Greenwich, and would provide for the transfer of a new highway to the London Borough of Newham, as from the date on which he notifies the council that it is completed and open for through traffic.

(5) The A406 North Circular Trunk Road (East London River Crossing, A13 to A2) No. 5 Compulsory Purchase Order (No.) 19 (notice of which was published on 25th January 1990). This is an Order under sections 239, 240 and 246 of the Highways Act 1980, as extended and supplemented by section 250 of that Act and under section 2 of the Acquisition of Land Act 1981. If made, it would authorise the Secretary of State for Transport to purchase compulsorily the land and rights described therein required for changes to the Thames bridge, slip roads and side roads described in the Orders specified in

paragraphs (2) to (4) above in the event of those Orders being made.

Copies of the above mentioned draft Orders and of the plans referred to therein have been deposited, and may be seen at all reasonable hours free of charge at the Department of Transport, London Regional Office (Transport), 2 Marsham Street, London SW1P 3EB; and at the following locations:

Proceedings on the above mentioned draft Orders are being taken concurrently by virtue of section 257 of, and paragraph 20 of Schedule 1 to, the Highways Act 1980.

The substance of objections or representations may be communicated to other people who may be affected by them; they will be passed to the Inspector holding the Inquiries; and the Inspector may be required to disclose the objections or representations at the Inquiries and, unless there are special reasons to the contrary, the identity of the authors.

The Secretaries of State for the Environment and Transport, hereby direct that any person who intends at the Inquiries to submit that any highway or proposed highway to which the draft Orders specified in paragraphs (3) and (4) above or either of them related should follow an alternative route, or that, instead of improving a highway to which the draft Order specified in paragraph (4) above relates, a new highway should be constructed on a particular route, shall send to the Secretary of State for Transport at Room C8/16, Department of Transport, 2 Marsham Street, London SW1P 3EB, not later than 19th June 1990, sufficient information about the alternative route or the route of the new highway, as the case may be, to enable it to be identified. NORTHAMPTONSHIRE COUNTY COUNCIL

The Northamptonshire County Council (Ashley Road, Stoke Albany) (Restricted Road) Order 1990

Notice is hereby given that the Northamptonshire County Council propose to make an Order under sections 82(2) and 83(2) and Schedule 9 to the Road Traffic Regulation Act 1984, the effect of which will be to introduce a 30 m.p.h. speed limit in that part of Ashley Road, Stoke Albany detailed below. This extends the present 30 m.p.h. area which exists as a result of street lighting.

Road to which the Restriction applies: That length of Ashley Road, Stoke Albany from its junction with Lower Road for a distance of 145 metres in a north-westerly direction.

Reason for restriction: A large house has recently been constructed next to Ashley Road and the existing speed limit signs are located at the same point as the vehicular access to the property. Records show that there is an irregularity with the sign locations in any event and that the signs should be located at the start of the street lighting at the junction of Lower Road. The proposal will resolve this anomaly and include the property within the speed limit.

A copy of the proposed Order, together with a plan showing the exact length of road to which it relates and a statement of the Council's reasons for proposing to make the Order, may be inspected at Desborough Library, High Street, Desborough, during normal opening hours or at the offices of the undersigned during the hours of 9 a.m. and 2 p.m. on Mondays to Fridays inclusive.

Objections to the proposed Order, stating the grounds on which they are made, should be sent in writing to the undersigned by 25th June 1990.

NORTHAMPTONSHIRE COUNTY COUNCIL

Northamptonshire County Council (Various Roads at Pytchley, Orthingbury, Isham and Broughton) (Prohibition of Commercial Vehicles of over 7.5 Tonnes gross weight) Order 1987) (Kettering Road, Pytchley—Amendment No. 1) Order 1990.

Notice is hereby given that the Northamptonshire County Council have made an Order under sections 1(1) and (2), 2(4) and 3(2) and Schedule 9 to the Road Traffic Regulation Act 1984, the effect of which will be to amend the Northamptonshire County Council (Various Roads at Pytchley, Orthingbury, Isham and Broughton) (Prohibition of Commercial Vehicles of over 7.5 tonnes gross weight) Order 1987.

Road to which the Amendment applies: At present the weight restriction limit on Kettering Road, Pytchley applies to that length of the road from its junction with High Street, Pytchley to a point 240 yards south-east of its northern junction with the A509 Kettering to Wellingborough Road. This Order amends this so that the restriction will apply to that length of Kettering Road, Pytchley from its junction with High Street to a point 300 yards south-west of its northern junction with the A509 Kettering to Wellingborough Road.

Reason for Amendment: A new industrial development is being constructed off Kettering Road near its junction with the A509. The access road to the development lies within the existing weight restriction zone which means that heavy goods vehicles travelling along the A43 Northampton to Kettering Road could legitimately pass through Pytchley to gain access to the new development. The amendment to the existing Order means that the starting point of the restriction will be located 60 yards nearer Pytchley, therefore allowing access to the new development for heavy goods vehicles to it from the A509 only. The existing exemption for access for loading/unloading and agricultural vehicles within the restricted zone will continue.

A copy of the Order and the 1987 Order, together with plans showing the exact lengths of road to which they relate may be inspected at Kettering Library, Sheep Street, Kettering, during

normal opening hours or at the offices of the undersigned during the hours of 9 a.m. to 12 noon and 2 p.m. to 4 p.m. on Mondays to Fridays inclusive.

If you wish to question the validity of the Order or of any provision contained in it on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984, or on the grounds that any requirement of that Act, or of any Instrument made under it has not been complied with in relation to the Order, you may, within 6 weeks from 24th May 1990, apply to the High Court for this purpose.

The Order will become effective on 28th May 1990.

J. Fursey, County Secretary

County Hall, Northampton.

NORTHAMPTONSHIRE COUNTY COUNCIL

Northamptonshire County Council (Overthorpe Road) (Prohibition of Motor Vehicles) (Experimental) Order 1990

Notice is hereby given that the Northamptonshire County Council have made an Experimental Order the effect of which will be to prohibit vehicles from proceeding in that length of Overthorpe Road detailed below.

Length of Road to which restriction applies: That length of Overthorpe Road from its junction with the Kings Sutton to Banbury Road in a north-easterly direction to its junction with the Warkworth to Middleton Cheney Road; a distance of 1,010 metres.

Reason for Restriction: The restriction is required as the new road layout in the vicinity of the M40 at Banbury is encouraging drivers to use Overthorpe Road as an alternative route into the town. This road is unsuitable for the amount of vehicles now using it, especially at peak times, and the growth of traffic is having an adverse effect on village life and spoiling the rural setting.

Period of Closure: The Experimental Order will come into effect on 11th June 1990 and will continue in force for a period of twelve months. A copy of the Order, together with a plan showing the length of road to which it relates and a statement of the Council's reasons for proposing the Order, may be inspected at Middleton Cheney Library, Main Road, Middleton Cheney during normal opening hours, or at the offices of the undersigned between the hours of 9 a.m. and 12 noon and 2 p.m. to 4 p.m. on Mondays to Fridays inclusive.

Access: Access to residents' property will be maintained during the period that the road is closed to through traffic, and exemptions have been made for local authority and public utility vehicles, emergency vehicles and stage and school bus services.

Objections: Objections to the Experimental Order, stating the grounds on which they are made, should be sent in writing to the undersigned by not later than 11th December 1990. After this, consideration will be given to making the Experimental Order permanent.

J. Fursey, County Secretary

County Hall, Northampton.
