The prohibitions and requirements will not apply to anything done with the permission of a police constable in uniform, or to vehicles complying with authorised traffic signs placed pursuant to legal powers for diversions etc.

NORTHAMPTONSHIRE COUNTY COUNCIL

Northamptonshire County Council (Dadford Road, Silverstone) (Seasonal Prohibition of Waiting) Order 1990

Notice is hereby given that the Northamptonshire County Council have made an Order under sections 1(1) and (2), 2(1) to (3) and 4(2) and Schedule 9 to the Road Traffic Regulation Act 1984, the effect of which will be to introduce seasonal no waiting at any time restrictions in Dadford Road, Silverstone, from 1st April to 31st October inclusive.

Road to which the restriction applies: That length of the road between Silverstone and Dadford known locally as Dadford Road on both sides from its junction with the A43 Brackley Road for a distance of 1,070 yards in a southerly direction to the county boundaries with Buckinghamshire.

Reason for restriction: During the racing season vehicles park along Dadford Road and cause congestion for local and through traffic as well as extra work for the police who currently provide "no waiting" cones at every race meeting. These are regularly removed or vandalised making enforcement difficult.

A copy of the Order, together with a plan showing the exact length of road to which it relates may be inspected at Silverstone Sub Post Office, 3 High Street, Silverstone, during normal opening hours or at the offices of the undersigned during the hours of 9 a.m. to 12 noon and 2 p.m. to 4 p.m. on Mondays to Fridays inclusive.

Notice is hereby given, that on the 7th June 1990, the Northamptonshire County Council made the above Order under sections 1(1) and (2) and 3(2) and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, the effect of which is to vary the Northamptonshire County Council (Great Addington) (Prohibition of Commercial Vehicles of over 3 tons) Order 1980, by the deletion in the 1980 Order of all references to "3 tons" and the substitution thereof of the words "7.5 tonnes" as required by the Traffic Signs Regulations and General Directions 1981, which amended all imperial weights and signs showing tons to show new metric equivalents, i.e. tonnes. The variation will not alter the effect or stringency of the 1980 Order since the metric equivalent of 3 tons unladen is 7.5 tonnes gross weight or laden.

A copy of the amending Order and a plan of the area to which it relates will be available for inspection at the Burton Latimer Library, High Street, Burton Latimer, or at the offices of the undersigned between the hours of 9 a.m. and 12 noon and 2 p.m. and 4 p.m. on Mondays to Fridays inclusive.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
