RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

NOTICE

TREASURY MINUTE dated 24th July 1990.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 25th July 1990 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

OXFORD CITY COUNCIL

Oxford City Council (Bayswater Road, Stowford Road and Waynflete Road) (Proposed Prohibition of Waiting) Order

Notice is hereby given that the Oxford City Council, as agent for and with the consent of the Oxfordshire County Council, proposes to make an Order to introduce a prohibition of waiting in parts of Bayswater Road, Stowford Road and Waynflete Road.

In Bayswater Road waiting is to be prohibited on both sides of the road for the whole length between a point 15 metres north of Waynflete Road southwards for a distance of 255 metres. Waiting is also to be prohibited in Waynflete Road and in Stowford Road for short distances from their junctions with Bayswater Road.

The waiting prohibitions will apply to all vehicles whether they belong to residents or to non-residents. They are proposed because visibility is at present obscured for motorists emerging from Stowford Road and to a more limited extent, Waynflete Road, by cars parked in Bayswater Road. It is necessary to protect these sight-lines because, despite the speed limit in Bayswater Road, vehicles still travel at speed in both directions. The presence of the new community centre in the vicinity will also generate extra traffic which makes the maintenance of adequate sight-lines even more important.

The Order is entitled "The City of Oxford (Barton Area) (Waiting Restrictions) Order 1990". Full details of the proposals are in the draft Order which, together with a statement of the Council's reasons for proposing to make the Order and a map showing the proposals, may be examined at my office at the address given below between the hours of 9 a.m. and 4 p.m. on Mondays to Fridays.

If you wish to object to the proposed Order you should send the grounds for your objection in writing to me at St. Aldate's Chambers, St. Aldate's, Oxford by 20th August 1990. Any support for the proposals should also be sent to me by the same date.

The effect of the Order, which comes into operation on 30th July 1990 (and for which a notice of the proposal was published in the *London Gazette* on 30th March 1990, advertisement No. 532) is to prohibit the driving of goods vehicles having a maximum gross weight exceeding 7.5 tonnes in that length of Bucknell Road, Ardley, from its junction with Station Road in a south-easterly direction to its junction with Bainton Road, Bucknell, for a distance of 2.6 kilometres (1.62 miles).

Exemptions are included in the Order in respect of, inter alia, vehicles requiring access to premises adjoining the roads affected, loading and unloading, emergency services, etc.

The alternative route for prohibited vehicles is via Station Road, Ardley, A41 and Bainton Road, Bucknell.

If you wish to question the validity of the Order or of any provision contained in it on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984, or on the grounds that any requirement of the Act or of any Instrument made thereunder has not been complied with in relation to the Order, you may within 6 weeks of 27th July 1990, apply to the High Court for this purpose.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
