WATER ACT 1989, SECTION 131(4)(F)

Notice is hereby given that because of an exceptional shortage of rain, a serious deficiency of supplies of water is threatened within the Medway area of Kent being part of the water supply area of Southern Water Services Limited. The Company therefore is applying to the Secretary of State for the Environment for Orders under section 131(4)(f) of the Water Act 1989, for a period of 6 months from the coming into operation of each Order to vary the Company's existing licence:

- (1) to abstract from the River Medway at Springfield (Grid Reference TQ754569) by suspending the restrictions limiting abstraction by reference to the release of water from Bewl Water Reservoir and the minimum residual flow of the River Medway at Teston Weir (currently 100 megalitres per day under an existing Drought Order).
- (2) to abstract from the River Teise at Smallbridge (Grid Reference TQ 713384) by:
 - (i) reducing the minimum residual flow of the River Medway at Teston Weir specified in the quantities of water authorised to be abstracted from 352 to 100 megalitres per day; and
 - (ii) reducing the minimum residual flow of the River Teise at the weir at Stonebridge specified in the quantities of water authorised to be abstracted from 22.7 to 15 megalitres per day.

Both draft Orders provide that if the flow of the River Medway at Teston Weir is below 250 megalitres per day and the dissolved oxygen level in the River Medway estuary below Allington Lock as measured over a full tidal cycle between Aylesford (Forstal) and Snodland Church is less than 10 per cent., the Company shall inject oxygen at a location to be agreed with the National Rivers Authority in such quantity as to substitute for the oxygen content of the water abstracted by the Company at Springfield in the previous 24 hours.

Copies of the draft Order and of other documents concerning the Company's proposals may be inspected by any person free of charge during all reasonable office hours at the Company's offices at Luton House, Capstone Road, Chatham, for a period of seven days from the date of the publication of this notice.

Notice of Designation of Extension of Conservation Area

Further Extension of the Ifield Village Conservation Area, Crawley, West Sussex

Notice is hereby given in pursuance of section 277 of the Town and Country Planning Act 1971, as substituted by section 1 of the Town and Country Amenities Act 1974, that the Crawley Borough Council, the local planning authority, has determined that the area described in the Schedule to this notice is an area of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance and has accordingly on 25th July 1990, designated the said area as a further extension to the Ifield Village Conservation Area.

The effect of the designation of the further extension of the Conservation Area may be summarised as follows:

- Where any application for planning permission for development of land in or adjacent to the extended Conservation Area is made to the Council and the development would, in the opinion of the Council, affect the character or appearance of the extended Conservation Area, the application will be subject to the special procedure in section 28 of the Town and Country Planning Act 1971, as amended.
- Any one wishing to demolish a building or part of a building situated within the extended Conservation Area must first apply for consent to demolish to the local planning authority. This is not taken to be included in a planning permission for redevelopment of the site unless, in granting the planning permission, the authority states that it includes consent to demolish the building. Some buildings may be exempt from this requirement.
- Any one wishing to cut down, top, lop or uproot a tree situate within the extended Conservation Area must give 6 weeks prior notice of his intention to the local planning authority.

A map of the further extension to the Conservation Area may be inspected free of charge during normal office hours at the offices of the Borough Secretary or Borough Planning Officer at the Town Hall, The Boulevard, Crawley, West Sussex RH10 1UZ.
