### NORTHAMPTONSHIRE COUNTY COUNCIL

#### ROAD TRAFFIC REGULATION ACT 1984

*The Northamptonshire County Council (A508 Harborough Road Vicinity, Northampton) (Traffic Regulation) Order 199*

Notice is hereby given that the Northamptonshire County Council intend to make an Order under sections 1(1) and (2) and 2(1) to (3) of the Road Traffic Regulation Act 1984 the effect of which will be to prohibit the making of "U-turns", introduce compulsory left turns, and introduce "box junctions" in certain parts of Harborough Road, Northampton detailed below.

**Prohibition of U-turns:** Vehicles will be prohibited from making "U-turns" in that length of Harborough Road, Northampton from its junction with Mill Lane to a point 15 metres north of its junction with Norton Road (a distance of approximately 440 metres).

**Compulsory Left Turns:** Vehicles, when travelling in a westerly direction, will be prohibited from making a turn other than in a left hand direction from:

- (a) Cranford Road at its junction with Harborough Road
- (b) Norton Road at its junction with Harborough Road.

**Box Junctions:** Box junction markings will be made on the eastern side of Harborough Road at its junctions with Yelvertoft Road and Boughton Green Road. The box junctions will cover half the width of the road to prevent vehicles travelling south on Harborough Road waiting across these roads thereby preventing vehicles from turning right into the two roads.

**Revocations:** Parts of two existing Traffic Regulation Orders are to be revoked, the effects of which are detailed below:

(a) Harborough Road eastern spur, the current prohibition of the left-hand turn from Harborough Road eastern spur into Kingsthorpe Grove is to be revoked.

(b) Cranford Road, the current prohibition of the left-hand turn from Cranford Road into Harborough Road is to be revoked.

**Reasons for making the Order:** The restrictions imposed by the Traffic Regulation Order are required as an integral part of the road improvement scheme in Harborough Road, Northampton between Mill Lane and Boughton Green Road. The safety of both pedestrians and vehicles will be improved by reducing the number of permitted vehicle movements at critical junctions and by prohibiting "U-turns" over the majority of this length of road. The measures will also assist in improving vehicles flow by reducing congestion at junctions.

A copy of the draft Order together with a plan showing its effects and a statement of the Council's reasons for proposing to make the Order may be inspected at Kingsthorpe Library, Harborough Road, Northampton during normal opening hours or at the offices of the undersigned between the hours of 9 a.m. and 12 noon and 2 p.m. and 4 p.m. on Mondays to Fridays inclusive. # Statutes in Force

## A vital reference work on the law of the land

What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

**comprehensive**

**convenient**

**constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
