NORTHAMPTONSHIRE COUNTY COUNCIL

*The Northamptonshire County Council (Dayton Street, Rushden) (Prohibition of Waiting) Order 1990*

Notice is hereby given that the Northamptonshire County Council have made the above-named Order under sections 1(1) and (2), 2(1)-(3) and 4(2) and Schedule 9 to the Road Traffic Regulation Act 1984.

The general effect of the Order will be to introduce a "no waiting at any time" restriction on the north-west side of Dayton Street from a point 20 yards north-east of its junction with Wellingborough Road to its junction with Moor Road. The road is quite narrow and parking on one side only is possible. The introduction of the restriction will prevent vehicles from parking on the pavement on the north-west side causing danger to pedestrians and damage to the footpath. This will be additional to the existing restriction at its junction with Wellingborough Road.

A copy of the Order together with a plan showing the lengths of road to which it relates may be inspected at Rushden Library, Newton Road, Rushden, during normal opening hours, or at the offices of the undersigned between the hours of 9 a.m. and 12 noon and 2 p.m. and 4 p.m. on Mondays to Fridays inclusive.

If you wish to question the validity of the Order or of any provision contained in it, on the grounds that it is not within the powers conferred by the Road Traffic Regulation Act 1984, or on the grounds that any requirement of that Act, or of any Instrument made under it has not been complied with in relation to the Order, you may within 6 weeks from 13th September 1990 apply to the High Court for this purpose.

The Order will become effective on 17th September 1990.

NORTHAMPTONSHIRE COUNTY COUNCIL

*The Northamptonshire County Council (York Road, Wilbarston) (Prohibition of Vehicles of over 3 tonnes gross laden weight) Order 1990*

Notice is hereby given that the Northamptonshire County Council propose to make an Order under sections 1(1) and (2), 2(4) and 3(2) and Schedule 9 to the Road Traffic Regulation Act 1984, the effect of which will be to prohibit the use of the whole length of York Road, Wilbarston by all commercial vehicles of over 3 tonnes gross laden weight. Exemptions will be allowed for buses and for vehicles requiring access to land adjacent to the road.

A copy of the proposed Order, together with a plan showing the exact length of road to which it relates and a statement of the Council's reasons for proposing to make the Order, may be inspected at Wilbarston Sub Post Office, 1 Main Street, Wilbarston, during normal opening times, or at the offices of the undersigned during normal office hours on Mondays to Fridays inclusive.

Reasons for making the Order: The proposed Order is being made as the use of this unclassified road by heavy vehicles has caused excessive damage to the carriageway. As there is an acceptable alternative route the proposed restriction will prohibit heavy vehicles from using this road and therefore reduce damage.

Objections to the proposed Order, stating the grounds on which they are made, should be sent in writing to the undersigned by 8th October 1990.

D. W. Cleggett, Director of Finance and Administration  
County Hall, Northampton.

At present this stretch of the A45 is subject to a 30 m.p.h. speed limit by virtue of street lighting which exists on it. The Order will remove this lower limit and the national limit of 70 m.p.h. will apply. This proposal was originally advertised on 5th August 1987 but was not proceeded with at that time.

A copy of the Order together with a plan showing the length of road in question may be inspected at Earls Barton Library, Broad Street, Earls Barton, during normal opening hours or between the hours of 9 a.m. and 12 noon and 2 p.m. and 4 p.m. on Mondays to Fridays inclusive at the offices of the undersigned.

# Statutes in Force

## A vital reference work on the law of the land

### What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

**comprehensive**

**convenient**

**constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:

HMSO Publicity, FREEPOST, Norwich, NR3 1BR
