THAMES WATER UTILITIES LIMITED

WATER BYELAWS

WATER ACT 1945, SECTION 19(4)

WATER ACT 1989, SCHEDULE 26 PARAGRAPH 19(1)

Thames Water Utilities hereby give notice that an application has been made to the Secretary of State for the Environment for his consent to the relaxation, by the Utility, of byelaws 3, 74(a) and 82 of the byelaws made by the former Thames Water Authority on 3rd April 1987. The byelaws were confirmed by the Secretary of State on 24th October 1988 and came into operation on 1st January 1989.

The purpose of the relaxation is to enable flushing valves to be installed and used to serve watercloset pans and urinals in two proposed buildings at sites known as DS1 and DS2 forming part of the London Docklands Development at Canary Wharf, London.

Thames Water Utilities Limited believe that the requirements of byelaws 3, 74(a) and 82 are unreasonable in this case in that they prevent the installation and use of flushing valves for a trial period.

The purposes of the trials are to show that the flushing valves are likely to prove more economical in water use than the devices specified in the byelaws and that the valves will make more space available for use within the buildings for other purposes. Objections to the proposed relaxations should be made in writing to the Department of the Environment, Room A4.37, Romney House, 43 Marsham Street, London to arrive not later than one month from the date of this publication.

NORTHAMPTONSHIRE COUNTY COUNCIL

The Northamptonshire County Council (Pytchley Road, Kettering) (One-way Traffic and Prohibition of Right-turn) Order 199

Notice is hereby given that the Northamptonshire County Council propose to make an Order under sections 1(1) and (2) and 2(1)-(3) and Schedule 9 to the Road Traffic Regulation Act 1984, the effect of which will be to make the length of Pytchley Road, Kettering from its junction with Pytchley Lodge Road to its junction with the A509 Wellingborough to Kettering Road one-way traffic from south to north, i.e. towards the A509 Road. Also the Order will prohibit the right-turn move from Pytchley Road into the A509 Wellingborough to Kettering Road.

Reason for making the Order: There is a new road layout being constructed as part of the new superstore development. It is considered for road safety reasons that the link road between the A509 and Pytchley Lodge Road should be made one-way in a north-easterly direction to prevent vehicles making dangerous manoeuvres into this road from the A509. Vehicles requiring access into Pytchley Lodge Road will need to use the new roundabout. The prohibition of right turning traffic is also considered necessary to prevent vehicles turning right into the A509.

A copy of the proposed Order, together with a plan showing the exact lengths of road to which it relates and a statement of the Council's reasons for proposing to make the Order, may be inspected at Kettering Library, Sheep Street, Kettering during normal opening hours or at the offices of the undersigned during the hours of 9 a.m. to 12 noon and 2 p.m. to 4 p.m., on Mondays to Fridays inclusive.

Objections to the proposed Order, stating the grounds on which they are made, should be sent in writing to the undersigned by the 12th November 1990.
