ROAD TRAFFIC REGULATIONS ACT 1984

*The A303 Trunk Road (Sparkford, Somerset)
(Prohibition of use of gap in central reservation) Order 199*

The Secretary of State for Transport hereby gives notice that he proposes to make an Order under sections 1(1) and (2) and 2(1) and 2 of the Road Traffic Regulation Act 1984 of the A303 Trunk Road at Sparkford in the District of South Somerset.

The effect of the Order will be to prohibit the use by vehicular traffic of the gap in the central reservation at Sparkford, opposite the junction of the new Sparkford By-pass (A303 Trunk Road) with the A359 (North) link road. This proposal is intended to improve road safety on this length of trunk road by preventing right turns across the bypass at this junction. It is considered that such a manoeuvre would be unsafe in view of the anticipated volume of traffic likely to use the by-pass. The junction will allow left-on and left-off turns only, with traffic wishing to turn right continuing to use the existing road system there will thus be no material reduction in turning facilities overall.

A copy of the Order and a plan illustrating the proposal may be inspected at the offices of Somerset County Council, County Hall, Taunton; of South Somerset District Council, Brympton Way, Yeovil, and at Sparkford Post Office, Sparkford, Yeovil until 30th November 1990, or obtained by application to the Director (Transport) at the address below, quoting ref. DSW507341/7/05.

Any person may object to the making of the Order by giving notice in writing of the grounds of objection to the Secretary of State at his address at the Department of Transport, South-West Regional Office, Network Management Division, Falcon Road, Exeter, Devon EX2 7LB by 30th November 1990.
