

- (b) has been produced on different days to that which does not comply with the conditions required for export to the Community,
- (c) originates from carcasses which have matured at a room temperature of more than +2°C for at least 24 hours after slaughter and before the bones were removed,
- (d) has had the major accessible lymphatic glands removed,
- (e) has, during all stages of its production, de-boning, packing and storage been kept strictly separate from meat not conforming to the requirements for export to a Member State laid down in Commission Decision 82/527/EEC.

B. Any meat imported under this licence shall be made available if so required for inspection by an Officer of the Ministry at any place nominated by him for such inspection. The importer or his agent shall afford all assistance necessary to such an officer to enable him to carry out the inspection in such manner as he shall determine and the importer shall be responsible for meeting any costs of carrying out such an inspection.

Notes attaching to Licence F

1. This licence will not be invalidated by transit of the products through any other country provided they are transported in sealed containers and provided that if the goods are examined by Customs en route the containers are resealed and the documents are endorsed accordingly.

2. Nothing in this licence gives exemption from any prohibition or restriction imposed by the Imported Food Regulations 1984 or the Medicines Act 1968 and 1971 or by any regulation superseding or amending the same, or any prohibition regulation or restriction imposed by the Department of Trade and Industry.

3. This is not a Department of Trade and Industry Licence.

Caution: Any breach of any conditions attached to this licence will constitute an offence against the Animal Health Act 1981.
