##### *The Nottinghamshire County Council (B6045 Worksop Road, Blyth) (30/40 m.p.h. Speed Limit) Order 1991 (268)*

Notice is hereby given that the Nottinghamshire County Council propose to make an Order under the Road Traffic Regulation Act 1984, the effect of which will be (in respect of roads at Blyth in the district of Bassetlaw):

- (1) No person shall drive any motor vehicle at a speed exceeding 30 miles per hour on the following length of road:  
That length of the B6045 Worksop Road from its junction with the A634 High Street in a westerly direction for a distance of 43 metres.
- (2) No person shall drive any motor vehicle at a speed exceeding 40 miles per hour on the following length of road:  
That length of the B6045 Worksop Road from a point 43 metres west of its junction with the A634 High Street for a distance of 361 metres in a west and south-westerly direction.

Relevant documents may be inspected at my office or at the Bircotes Library, Scrooby Road, Bircotes, Doncaster. Written objections (stating grounds and quoting ref. 268) must be received by me by 11th January 1991.

The prohibition is required in order to reduce the speed of vehicles approaching the built-up area.

##### *The Nottinghamshire County Council (Moorhouse Road and Green Lane, Moorhouse, Laxton) (Speed Limit De-restriction) Order 1991 (321)*

Notice is hereby given that the Nottinghamshire County Council propose to make an Order under the Road Traffic Regulation Act 1984, as amended, the effects of which will be that the following lengths of road at Moorhouse, Laxton, in the district of Newark and Sherwood, shall cease to be restricted roads (the speed limit of 30 miles per hour will, therefore, be revoked):

- (a) Green Lane, commencing at its junction with Moorhouse Road, and terminating in a north-westerly direction at a distance of approximately 397 metres.
- (b) Moorhouse Road, commencing at a point approximately 89 metres north of the centre line of Green Lane, and terminating in a south and south-easterly direction at a distance of approximately 213 metres from that said point.

Relevant documents may be inspected at my office or at the Sutton-on-Trent Library, Main Street, Sutton-on-Trent, Newark, Nottinghamshire. Written objections (stating grounds and quoting ref. 321) must be received by me by 11th January 1991.

Street lighting provision automatically imposed a 30 m.p.h. speed limit which is assessed as inappropriate for this type of road.

##### *The Nottinghamshire County Council (China Bridge, Colston Bassett) (Weight Restriction) Revocation Order 1991 (366)*

Notice is hereby given that the Nottinghamshire County Council propose to make an Order under section 1 of the Road Traffic Regulation Act 1984, as amended, the effects of which will be, in respect of a length of road at Colston Bassett in the Borough of Rushcliffe, to revoke "The Nottinghamshire County Council (China Bridge, Colston Bassett) (Weight Restriction) Order 1975".

That Order provided that no person shall cause any vehicle, any axle weight of which, whether laden or unladen exceeds 4 tons, to proceed in that length of Wash Pit Lane (unclassified) in the parish of Colston Bassett as is carried by China Bridge (Bridge No. 6121) over the River Smite.

Consequently, the Weight Restriction will no longer be effective.

Relevant documents may be inspected at my Office or at the Cotgrave Library, The Precinct, Cotgrave, Nottinghamshire. Written objections (stating grounds and quoting ref: 366) must be received by me by 11th January 1991.

The structural weakness of China Bridge has been repaired and is now up to full strength, therefore, continuation of the restriction is no longer justified.
