TREASURY MINUTE dated 15th January 1991.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 16th January 1991 and until the coming into operation of a further determination:

OXFORDSHIRE COUNTY COUNCIL

Middle Row, Chipping Norton: Revised Traffic Regulations

Oxfordshire County Council (Middle Row, Chipping Norton) (Prohibition of Driving) (Amendment) Order 199

Oxfordshire County Council—(Various Road, Chipping Norton) (Prohibition and Restriction of Waiting) (Amendment) Order 199

Notice is hereby given that the Oxfordshire County Council propose to make the above Orders under sections 1 and 2 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984. The effect of the proposed Orders will be to increase the stringency of the existing driving and waiting prohibitions in Middle Row, particularly between 10 a.m. and 5 p.m.

The existing Oxfordshire County Council (Middle Row, Chipping Norton) (Prohibition of Driving) Order 1990, prohibits vehicles from the eastern carriageway of Middle Row, Chipping Norton, from its junction with Market Place to its junction with the carriageway on the south side of the Guildhall. The Order contains exemptions to allow access for emergency service vehicles and certain other essential purposes such as building work and road repairs. The existing Order also contains exemptions for vehicles requiring access to premises fronting the carriageway, for loading and unloading etc., and for disabled persons vehicles.

It is now proposed (in Order A) to remove this exemption between 10 a.m. and 5 p.m., so that access for loading and unloading and disabled persons' vehicles will only be permitted outside these hours.

The other provisions of the existing Order will be revoked and re-enacted in the new Order, which will also contain a new exemption enabling cyclists to use the road before 10 a.m. and after 5 p.m.

Order B amends the general Prohibition and Restriction of Waiting Order to reflect the pedestrianisation of Middle Row. It removes the short length of unrestricted waiting on the west side (which in practice is already inaccessible for general parking because of the Prohibition of Driving Order). The whole length from Market Square to the Carriageway on the south side of the Guildhall will thus become "no waiting at any time".

The existing exemptions in the general Order (including those for access, loading and unloading and disabled persons' vehicles will apply before 10 a.m. and after 5 p.m. Between those hours, however, Order B removes these particular exemptions consistent with Order A.

Copies of the draft Orders, the Orders to be amended or revoked, the relevant plans and the Council's statement of reasons are available for public inspection at County Hall, New Road, Oxford, between 9.30 a.m. and 12.45 p.m. and between 2.15 p.m. and 4 p.m. every weekday except Saturday for the period 18th January 1991, to 8th February 1991. The documents can also be inspected at the Guildhall, Goddards Lane, Chipping Norton, between 9.30 a.m. and 12.45 p.m. for the same period.

Objections to the making of either or both of the proposed Orders, specifying the grounds on which they are made, and any other representations, should be sent to me in writing not later than 8th February 1991.

County Hall,
New Road, Oxford OX1 1ND.

Exemptions included in the Order, will enable vehicles to stop to enable passengers to board or alight, or to load or unload goods; will allow vehicles to wait for certain statutory and other essential purposes and will permit disabled drivers to wait for up to 2 hours in the no waiting areas described in the Schedule.

Copies of the draft Order, the relevant plan, and the Council's statement of reasons are available for public inspection at County Hall, New Road, Oxford, between 9.30 a.m. and 12.45 p.m. and between 2.15 p.m. and 4 p.m. every weekday except Saturday for the period 18th January 1991, to 8th February 1991. Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
