CAMBRIDGESHIRE COUNTY COUNCIL

The County of Cambridgeshire proposed road humps, High Street and Market Hill, Chatteris.

Notice is hereby given that the Cambridgeshire County Council propose to construct road humps on High Street and Market Hill, Chatteris, in the district of Fenland in exercise of powers conferred by section 90A of the Road Transport Act 1981 and all other enabling powers and in accordance with the Highways (Road Humps) Regulations 1990.

The proposed road humps form part of a pilot traffic calming scheme for the centre of Chatteris which also includes the construction of a mini roundabout at the High Street-Railway Lane junction and the remodelling of the Park Street-East Park Street-Market Hill junction. The junction remodelling will reduce carriageway widths and change the priority to give East Park Street-Market Hill traffic the right of way. Experimental changes to the parking restrictions in High Street and Market Hill will be implemented for a six-month trial when the road humps are constructed.

It is proposed to construct six road humps, five in High Street and one in Market Hill. The road humps are intended to reduce and maintain vehicle speeds at a low level, compatible with shopping/residential streets of this type.

Details of the proposed road humps are as follows:

Type of design: flat topped, i.e., a flat platform running from kerb to kerb with a ramp up from the road to the platform on each side.

Construction material: blockwork platforms with asphalt ramps;

Dimensions: platform height—varying between 75 to 100 millimetres ($\pm$ 12 millimetres); platform width—2.5 metres ($\pm$ 125 millimetres; ramp gradient—varying between 1 in 15 and 1 in 18.

*Locations:**High Street*

Road hump A, at the midpoint of the frontage of No. 51 High Street.

Road hump B, 19 metres north of the centreline of New Road at its junction with High Street.

Road hump C, 19 metres south of the centreline of New Road at its junction with High Street.

NORTHAMPTONSHIRE COUNTY COUNCIL

The Northamptonshire County Council (High Street, Rushden) (Prohibition of Motor Vehicles) (Experimental) Order 1991

Notice is hereby given that the Northamptonshire County Council have made an Experimental Order, the effect of which will be to prohibit vehicles from proceeding in that length of High Street, Rushden, detailed below.

Length of road to which restriction applies: That length of High Street between College Street and Queen Street between the hours of 9.30 a.m. and 4.30 p.m. daily. Waiting will be prohibited in High Street from College Street for a distance of 50 yards in a southerly direction.

Reason for restriction: The restriction is required as the prohibition of vehicles will enhance the environment of the affected section of High Street, by giving priority to pedestrians throughout the working day. It will also make a significant contribution to pedestrian and vehicle safety in the southern part of High Street by greatly reducing the volume of traffic using the street as a through route.

Period of closure: The Experimental Order will come into effect on 25th February 1991, and will continue in force for a period of 12 months. A copy of the Order, together with a plan showing the length of road to which it relates and a statement of the Council's reasons for proposing the Order, may be inspected at Rushden Library, Newton Road, Rushden, during normal opening hours, or at the offices of the undersigned between the hours of 9 a.m. and 12 noon and 2 p.m. to 4 p.m. on Mondays to Fridays inclusive.

Access: Access to residents' property will be maintained during the period that the road is closed to through traffic, and exemptions have been made for local authority and public utility vehicles and emergency vehicles.

Objections: Objections to the Experimental Order, stating the grounds on which they are made, should be sent in writing to the undersigned by not later than 25th August 1991. After this, consideration will be given to making the Experimental Order permanent.

This Order replaces the one advertised on 7th February 1991.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
