PRIVY COUNCIL OFFICE

At the Court at
Buckingham Palace, the 5th Day of February 1991

Present

The QUEEN's Most Excellent Majesty in Council

Whereas by the Civil Service Order in Council 1982 (the Principal Order was amended by the Civil Service (Amendment) Order in Council 1985, and by the Civil Service (Amendment) Order in Council 1987) (hereinafter referred to as "the principal Order") provision was made relating to the appointment of persons to situations in Her Majesty's Home Civil Service and Diplomatic Service and for regulating the conduct of Her Majesty's Home Civil Service and the conditions of service therein:

And whereas by virtue of the Transfer of Functions (Minister for the Civil Service and Treasury) Order 1991 (SI 1991/188), certain functions exercised by the Minister for the Civil Service were transferred to the Treasury, and certain functions exercised by the Treasury were transferred to the Minister for the Civil Service:

And whereas it is expedient to make further and separate provision for Her Majesty's Home Civil Service in relation to the matters aforesaid:

Now, therefore, Her Majesty is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered as follows:

Definitions:

1. In this Order, except where otherwise expressly provided: "the Commissioners" means the persons for the time being appointed by Her Majesty in Council to be Her Majesty's Civil Service Commissioners for the purposes of this Order.

"grade" includes post;

Selection on Merit:

2.—(1) Except as otherwise expressly provided by this Order, no person shall be appointed to a situation in the Service unless:

- (a) the selection for appointment is made on merit on the basis of fair and open competition, and
- (b) the person appointed satisfies such qualifications as may be prescribed pursuant to Article 5(b) or 6(c).

(2) Article 2(1)(a) shall not apply to appointment to any situation listed in paragraph 2 of Schedule 2 to this Order, and paragraph 3 of that Schedule shall have effect with respect to appointment to such of the situations so listed as are therein specified.

(3) Notwithstanding Article 2(1)(b), a person may be appointed in accordance with Schedule 3 to this Order.

The Commissioners' approval for appointment:

3.—(1) Subject to Article 3(2), no appointment (except to a situation listed in paragraph 2(a) to (d) of Schedule 2) shall be made to any situation in a Scheduled grade or to a special appointment without the written approval of the Commissioners, whose decision shall be final. Approval may be given conditionally or unconditionally.

(2) Where pursuant to Article 3(1) the Commissioners have given approval conditionally, the relevant appointing authority may make such appointment pursuant to Schedule 3 as appears to that appointing authority to be appropriate.

(3) The Minister, after consultation with the Commissioners and the Treasury, by direction:

- (a) may change the title of any grade listed in Schedule 1, and may remove any grade so listed where the requirement for the performance of the duties of that grade had permanently ceased;
- (b) shall add to the grades so listed any new grade the duties of which are the same as or are substantially similar to those of one or more of the grades so listed at the date this Order comes into force; and
- (c) may add any other grade to the grades so listed.

(4) The Commissioners, with the consent of the Minister, may direct that a situation (not being a situation in a Scheduled grade) for

Functions of the Commissioners, the Treasury and the Minister:

4. Without prejudice to any other function of the Commissioners under this Order, the Commissioners:

- (a) may make rules relating to the selection of persons for appointment to any situation in the Service on a Scheduled grade or to any special appointment;

- (c) shall monitor the application of such rules and, if it appears to the Commissioners to be necessary or appropriate, make recommendations or observations to the Minister.

5. The Treasury may from time to time make regulations and give instructions

- (a) providing for the number and grading of posts on the Service, the classification of all persons employed therein, their remuneration, expenses, allowances, holidays, hours of work, part-time and other working arrangements, retirement and redundancy, the reinstatement and re-employment of persons in the Service, the re-deployment of staff (below Grade 3) between departments and, so far as they relate to any of those matters, the conditions of service of all persons employed in the Service;

- (b) any officer of the Commissioners authorised for that purpose by the Commissioners.

(2) The Commissioners may from time to time and to such extent as they think fit authorise any person to perform any of their functions relating to the selection and recruitment of persons prior to the exercise by them of their power of approval under Article 3(1).

Citation etc.

8.—(1) This Order may be cited as the Civil Service Order in Council 1991, and shall come into force on the first day of April 1991.

(2) The principal Order is hereby revoked.

(3) Without prejudice to paragraph (4) below, nothing in the said revocation shall affect any instrument or other thing whatsoever made or done or having effect as if made or done under the principal Order, and every such instrument or thing shall continue in force and so far as it could have been made or done under this Order shall have effect as if made or done under this Order.

(4) The Interpretation Act 1978 (1978 c. 30) shall apply for the interpretation of this Order and of any regulations or orders made under this Order as it applies for the interpretation of an Act of Parliament, and as if for the purposes of section 16(1) of that Act this Order were an Act of Parliament and the principal Order were an Act of Parliament thereby repealed.

SCHEDULE 2

Article 2(2)

EXCEPTIONS TO SELECTION ON MERIT ON THE BASIS OF
FAIR AND OPEN COMPETITION

1. In this Schedule

"appointed on secondment" means appointed to a situation in the Service under an arrangement whereby the person appointed performs duties for and on behalf of the Service and is, for the period of the appointment, released from all or some of his obligations under any other employment, service or office (including any employment, service or office under the Crown), or under a partnership agreement;

"public service" means any civil service of the State (other than the Service), and any public authority, or non-governmental body or institution discharging public functions, that the Treasury may from time to time determine to be a public service for the purposes of this Schedule.

"relevant appointing authority" in paragraph 2(e) to (h) and paragraph 3 shall be construed, in relation to an appointment to a situation in a Scheduled grade or which is a special appointment, as a reference to the Commissioners.

2. The appointments referred to in Article 2(2) are appointments to any situation

- where the holder is appointed directly by the Crown;
- where the holder is appointed by a Minister of the Crown for the purpose only of providing advice to any Minister, and under which the period for which the situation is to be held terminates at the end of an Administration;
- under which the total period of service (continuous or otherwise), when added to any period of service (continuous or otherwise) in any situation in the Service held immediately before appointment, does not exceed twelve months;
- not exceeding five years in length, and for the duration of which the holder is required to work for no more than a total of six months in any period of 12 consecutive months;

(e) under which the total period of service (continuous or otherwise) is between one and five years, and the relevant appointing authority is satisfied exceptionally that the proposed appointment is justified for reasons relating to the needs of the Service;

(f) where the relevant appointing authority is satisfied that it is desirable to make the appointment, and the person proposed for appointment is a person who

(i) would be appointed on secondment, and is qualified to discharge the duties of the situation effectively; or

(ii) is, or has recently been, employed on functions which have been or are being transferred to the Crown, and whose appointment is justified by the needs of the Service and his proven ability (provided that no such appointment shall be made from a date earlier than the date of transfer); or

(iii) already holds a situation in a public service (provided the appointment is justified by the needs of the Service and the proven ability of the person); or

(iv) has reached an appropriate standard in a competition for another situation without securing appointment (provided that it is desirable also to make the appointment by reason of a shortage of qualified candidates);

(g) where it appears to the relevant appointing authority that the person proposed for appointment satisfies the standard for entry or promotion into the grade, and that

(i) immediately before appointment the person is the holder of a situation to which he was appointed on secondment, or under which the period of service (continuous or otherwise) does not exceed five years, and the appointment would be on an exceptional basis; or

(ii) the person has previously held a situation in the Service to which appointment was made on merit on the basis of fair and open competition, and is seeking reinstatement or re-employment; or

(iii) the person has previously held a situation in a public service to which appointment was made on merit on the basis of fair and open competition;

(h) where the relevant appointing authority is satisfied that the appointment of the person proposed for appointment is justified for exceptional reasons relating to the needs of the Service and the proven distinction of the person proposed for appointment;

(i) in a Scheduled grade or which is a special appointment, where the Commissioners are satisfied that the person proposed for appointment has been assessed in open competition with all other applicants for the situation, that he is qualified to discharge all the duties of the situation effectively, and that his appointment is justified for exceptional reasons relating to the needs of the Service.

3. If in exceptional circumstances it appears appropriate to the relevant appointing authority that the terms of an appointment made

(a) by virtue of paragraph 2(c) should be varied so that the total period of service (continuous or otherwise) under the appointment, when added to any period of service (continuous or otherwise) in any situation in the Service held immediately before the appointment, would exceed 12 months but be not more than two years, or

(b) by virtue of paragraph 2(d) should be varied so that the total period of work in any consecutive period of 12 months would exceed six months but be not more than nine months.

then any appointment so varied shall be treated as properly made under paragraphs 2(c) or 2(d), as the case may be.

SCHEDULE 3

Articles 2(3) and 3(2)

APPOINTMENT BEFORE APPROPRIATE ENQUIRIES ARE COMPLETED,
AND APPOINTMENT WHERE CERTAIN QUALIFICATIONS ARE NOT
SATISFIED

1.—(1) A person may be appointed to a situation in the Service where it appears to the relevant appointing authority that it is necessary that the appointment be made before appropriate enquiries are completed, and that there is no prima facie doubt whether he satisfies all the prescribed qualifications and is otherwise suitable for appointment.

(2) It shall be a condition of any appointment made under this paragraph that the outcome of the appropriate enquiries is satisfactory, but termination of the appointment where the outcome of those enquiries is not satisfactory shall not preclude the person's further appointment in accordance with paragraph 2.

2.—(1) A person may be appointed to a situation in the Service where it appears to the relevant appointing authority that although otherwise suitable for appointment, he does not fully satisfy the prescribed qualifications as to

- (a) health or character, but that if appointed for a trial period of service he is likely within that period to satisfy such qualifications; or
- (b) nationality, but that if appointed his employment would be under the authority of a certificate issued under section 1 of the Aliens Employment Act 1955; or
- (c) knowledge, ability, professional attainment aptitude or potential, but that if appointed for a trial period of service he is likely within that period to demonstrate that he is fully able to discharge the duties of the grade.

(2) An appointment may only be made pursuant to paragraph 2(1)(c) on an exceptional basis and where there is a shortage of qualified candidates for the situation.

(3) It shall be a condition of any appointment made for a trial period under this paragraph that, within a specified period not exceeding five years, the person demonstrates to the satisfaction of the relevant appointing authority that,

- (a) in the case of an appointment under paragraph 2(1)(a), he satisfies the relevant qualifications; and
- (b) in the case of appointment under paragraph 2(1)(c), he is fully able to discharge the duties of the grade.

EXPLANATORY NOTE

(This note is not part of the Order.)

This Order revokes and re-enacts with substantial amendments the Civil Service Order in Council 1982.

The principal changes are:

- (a) Article 2 provides that, except as otherwise provided in the Order, selection for appointment to the Service will be on merit on the basis of fair and open competition, and the person appointed must satisfy such qualifications as are prescribed. Schedule 2 lists the situations to which there may be appointment otherwise than on merit on the basis of fair and open competition. Schedule 3 contains provision for the appointment of a person before it has been established that all prescribed qualifications are satisfied.
- (b) Article 3 provides that no appointment shall be made to a situation in a grade listed in Schedule 1 or to a special appointment without the approval of the Civil Service Commissioners. A grade may be added to or removed from the Schedule, and may have its name changed; new grades the duties of which are the same as or substantially similar to those listed when the Order comes into force are to be added to the Schedule; other grades may be added. Subject to Article 3(4), the Commissioners, with the consent of the Minister, may determine that a situation which is not in a Scheduled grade is a special appointment.
- (c) Article 4 provides for rules to be made by the Commissioners relating to selection for appointment to a situation in a Scheduled grade or to a special appointment; the Commissioners have a new duty to advise concerning the rules made by the Minister (under Article 6(b)) relating to selection on merit on the basis of fair and open competition for all other appointments, and to monitor the application of such rules.
- (d) Articles 5 and 6 contain amendments in consequence of the transfer of Functions (Minister for the Civil Service and Treasury) Order 1991, which transferred certain functions of the Treasury to the Minister, and certain functions of the Minister to the Treasury.
- (e) Article 7 empowers the First Civil Service Commissioner, or a Commissioner authorised by him, to exercise any power or duty of the Commissioners under the Order, and allows the delegation of any such power or duty to any officer of the Commissioners. The Commissioners may also authorise others to carry out selection and recruitment work prior to the exercise by them of their power of approval under Article 3(1). (1 SI)

TREASURY MINUTE dated 18th February 1991.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 19th February 1991 and until the coming into operation of a further determination:

(i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;

(ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

(iii) The rates of such interest shall be:

COAST PROTECTION ACT 1949

TENDRING DISTRICT COUNCIL

Notice is hereby given that, the Tendring District Council, acting in their capacity as coast protection authority, hereby give notice under sub-section (1) of section 5 of the above Act that they propose to carry out coast protection works as described herein at The Naze, Walton-on-the-Naze, Essex.

The work will consist of the provision of three rock armour hard points on the unprotected length of the existing cliffs. As erosion continues between the hard points and they become outflanked it is proposed to re-establish their physical link with the cliff toe. This will be achieved by using surplus material stacked along the flanks of the hard points. The first phase of the works, extending over five years, includes a first year delivery of stone with reworking of the stock pile over the five year period.

The estimated cost of this first phase of the work is £400,000 (Four Hundred Thousand Pounds). Any person may, not later than 22nd March 1991 serve a written notice of objection to the above proposal on the Minister of Agriculture, Fisheries and Food, Rivers House, 30-34 Albert Embankment, London SE1 7TL, and on the above-mentioned authority.

Any such notice must contain a statement of the grounds of objection and must be sent by pre-paid post to the Minister of Agriculture, Fisheries and food, Rivers House, 30-34 Albert Embankment, London SE1 7LT, and to the Director of Environmental and Technical Services at the address shown below.

ISLE OF WIGHT COUNTY COUNCIL

The Isle of Wight County Council (Various Streets, Cowes IW) (One-way Traffic) Order No. 1 1991

Notice is hereby given that the Isle of Wight County Council in exercise of their powers under the Road Traffic Regulation Act 1984 and after consultation with the Chief Officer of Police propose to make an Order the effect of which will be:

(a) To amend the existing restriction in:

(i) High Street so it operates not from the junction with Market Hill but from a point 12 metres south of the junction with Market Hill, to the entrance to Fountain Quay in the direction north to south.

(b) Sun Hill so it operates from the junction with High Street to a point 34 metres west thereof, and not the junction with Union Road, in the direction east to west. This will make the remaining section of Sun Hill two way.

(b) to introduce a new one-way restriction in Baring Road from the junction with Ward Avenue to a point 10 metres west thereof in the direction west to east.

The amended restrictions contained in (a) are to assist in the operation of the traffic free area. The restriction in (b) is due to the reduced width of carriageway resulting from land slippage and will only be in operation until works have been undertaken to alleviate this.

A copy of the draft Order, this notice and the relevant plan may be inspected between normal office hours at the Reception Desk, County Hall, Newport, Isle of Wight, during the objection period. If you wish to object to the proposed restrictions contained in this notice you should send the ground for your objection, in writing, to the undersigned not later than 12 noon on Thursday, 28th March 1991.

Notice is hereby given that the Northamptonshire County Council have made an Experimental Order the effect of which will be to prohibit vehicles from proceeding in that length of High Street, Rusden, detailed below.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:

HMSO Publicity, FREEPOST, Norwich, NR3 1BR
