TOWN AND COUNTRY PLANNING ACT

AYLESBURY VALE DISTRICT COUNCIL

TOWN AND COUNTRY PLANNING ACT 1971

Amended Notice of Designation of Conservation Areas at Hillesden Church End and Hillesden Hamlet

Notice is hereby given that the Aylesbury Vale District Council in pursuance of its powers under sections 69 & 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990 has determined that a certain area of land in the village of Hillesden Church End and a certain area of land in Hillesden Hamlet which said areas are more particularly described in the Schedule hereto, are areas of special architectural or historic interest, the character or appearance of which it is desirable to preserve or enhance and has accordingly designated the said areas as conservation areas. The boundaries of the conservation areas are shown on two maps, copies of which may be inspected during normal office hours at the offices of the Director of Technical Services and Planning, Fowler Road, Aylesbury, Buckinghamshire.

The effect of designation is briefly as follows:

1. With the exception of certain categories of buildings (namely those already listed, certain ecclesiastical buildings, protected monuments and buildings in respect of which the Secretary of State for the Environment has made a Direction (see Circular No. 8/87) anyone wishing to demolish a building, or part thereof, must first apply for Listed Building Consent to the

Council. Such an application may be made separately or as part of an application for planning permission for redevelopment of the site.

2. Except in the case of trees either already subject to tree preservation orders or covered by regulations made by the Secretary of State for the Environment (See Statutory Instrument 1975—No. 148 Regulation No. 3) anyone wishing to cut down, top or lop or uproot any tree in a conservation area must give six weeks' notice to the Council of his intention. If the work is not completed within two years, a further notice is needed. If the work is begun without due notice or without the Council's specific consent within the six weeks' period, the person concerned becomes liable to a penalty and the tree owner becomes liable to replant. The purpose of this provision is to give the Council an opportunity to make a tree preservation order where appropriate before the work proposed is carried out.
