NOTICE

TREASURY MINUTE dated 19th March 1991.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may

determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 20th March 1991 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

In view of the exceptional shortage of rain, very limited recharge to aquifers has occurred and a serious deficiency of supplies of water is threatened in the statutory area of the Folkestone and District Water Company.

Notice is hereby given that in Order to ensure maintenance of essential supplies of water to its customers this summer the Company is applying to the Secretary of State for the Environment for an Order, pursuant to section 131 of the Water Act 1989, to modify conditions relating to the abstraction of water from the chalk strata at Stonehall and Holmstone Pumping Stations. Details of the existing and temporary modifications are indicated in the table below:

<i>Pumping station</i>	<i>Strata</i>	<i>Grid ref.</i>	<i>Max. daily existing</i>	<i>Abstraction Ml/d. proposed</i>	<i>Compensation existing</i>	<i>Conditions proposed</i>

In this respect the Company is seeking authority to prohibit, should this be deemed necessary:

- (a) the watering, by hosepipe, sprinkler or other apparatus, of parks, ornamental gardens, lawns, allotments, recreation grounds, sports grounds, playing fields, golf courses or racecourses, whether publicly or privately owned;
- (b) the filling, whether wholly or partially of privately owned swimming pools and of ornamental ponds other than fish ponds;
- (c) the operation of mechanical vehicle washers, whether automatic or not;
- (d) the washing of road vehicles, boats, railway rolling stock and aircraft for any reasons other than safety or hygiene;

- (g) the operation of ornamental fountains or cascades, including any where water is recycled;
- (h) the operation, in relation to any building or other premises of any cistern which flushes automatically, during any period when the premises are wholly or substantially unoccupied.

A copy of this application together with an accompanying plan may be inspected by any person free of charge during all reasonable office hours at the Company's Principal Office, The Cherry Garden, Cherry Garden Lane, Folkestone, Kent, for a period of 7 days from the publication of this notice.

Objections to the application may be made to the Secretary of State for the Environment, Romney House, 43 Marsham Street, London SW1P 3PY, (with a copy to the undersigned please) within 7 days of the publication of this notice.

Where it appears to the Secretary of State that an Order is required to be made urgently if it is to enable the Company to effectively meet the projected deficiency of supplies of water, he may direct that the holding of a local public inquiry or a hearing by a person appointed by him shall be dispensed with.
