## TREASURY

### RATES OF INTEREST ON LOANS BY THE PUBLIC WORKS LOAN COMMISSIONERS TO LOCAL AUTHORITIES

#### Notice

TREASURY MINUTE dated 9th April 1991.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 10th April 1991 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

*PWLB Non-quota A Rates will bear interest at 1 per cent. above the corresponding Quota rates.*

*PWLB Non-quota B Rate loans will bear interest at 1 per cent above the corresponding Non-quota A rates.*

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. Other borrowing beyond the quota entitlement will be at the appropriate rate in the non-quota set of rates.

My Lords concur.

## LONDON BOROUGH OF RICHMOND-UPON-THAMES

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS)  
ACT 1990*Designation/Extension of Conservation Areas*

Notice is hereby, given in pursuance of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, that the Council of the London Borough of Richmond-upon-Thames, as Local Planning Authority, has designated the following Conservation Areas:

Normansfield, Teddington	Conservation Area No. 59
Hampton Court Park	Conservation Area No. 60
Bushy Park	Conservation Area No. 61
Richmond Park	Conservation Area No. 62
Royal Botanic Gardens, Kew	Conservation Area No. 63
Arundel Terrace, Barnes	Extension to Conservation Area No. 25 (Castelnau)
Radnor Gardens, Twickenham	Extension to Conservation Area No. 8 (Twickenham Riverside)
Second Cross Road, Twickenham	Extension to Conservation Area No. 9 (Twickenham Green)
Hampton Village	Extension to Conservation Area No. 12 (Hampton Village)

The consequences of the designation are that:

- The Council is required to pay special attention to the desirability of preserving or enhancing the character or appearance of conservation areas in the exercise of any powers under the Planning (Listed Buildings and Conservation Areas) Act 1990, Part I of the Historic Buildings and Ancient Monuments Act 1953, or the Local Authorities (Historic Buildings) Act 1962.
- Any building within a conservation area, not being a building falling within any of the exempt categories, shall not be demolished without the consent of the Council.
- Exempted buildings are listed buildings (which cannot be demolished without consent in any event) as defined by the 1990 Act, excepted buildings within the meaning of section 60 of the 1990 Act, and buildings in relation to which a direction under section 75 of the 1990 Act, is for the time being in force. The exemption of certain categories of buildings from control of demolition under section 75 of the 1990 Act, does not affect the provisions of other legislation controlling demolition of such buildings.  
  
(An application for consent to the demolition of a building (other than an exempted building) in a conservation area shall be made to the Council as a separate application and not as part of an application for planning permission to redevelop the site of the building.)
- Pursuant to section 211 of the Town and Country Planning Act 1990, any person who cuts down, tops, lops, uproots, wilfully damages or wilfully destroys any tree in a conservation area or authorises such action, without the Council's specific consent will become liable to prosecution and the owner will become liable to replant a tree of appropriate size and species, unless at least 6 weeks notice of such action has been given to the Council.

There are certain exemptions to these provisions which, *inter alia*, exempt trees which are dying or dead or have become dangerous, fruit trees cultivated for fruit production and trees which do not exceed approximately three inches in diameter.

A map showing the extent of the Conservation Areas is available for inspection at the Technical Services Department—Planning Division, Civic Centre, 44 York Street, Twickenham, where further information on this matter may be obtained and to which applications should be addressed.

## TOWN AND COUNTRY PLANNING ACT 1990, SECTION 69

## Amendment to Conservation Area Boundaries

Notice is hereby given that, pursuant to the provisions of the above Act, the Wycombe District Council hereby gives formal notice that the boundaries of the designated Conservation Areas below have been amended to take account of the county boundary changes which came into force on 1st April 1991 under the Local Government Boundary Commission Report No. 558.

*Hambleden, Mill End Conservation Area:* From Hambleden Lock Island the boundary has been amended to exclude that part of the island formerly within Buckinghamshire and now follows the mid-point of the River Thames south-west of the weirs to include the whole of two islands and a third island south-west of Hambleden Mill. The boundary rejoins the former Conservation Area boundary at OS grid reference SU7845 8483.

*Hedsor Road, Bourne End Conservation Area:* From the railway bridge near Camden Place at the north end of the Conservation Area the boundary follows the mid-point of the River Thames as far south as Cookham Bridge where it turns north along the bridge to rejoin the former boundary by the former Toll House.

*Marlow Conservation Area:* From Marlow Bridge the boundary follows the mid-point of the River Thames, turning south-east through a sluice in the weir to follow the mid-point of the River Thames round eastward to a point beyond the east tip of Lock Island, the whole of which island is now within the Conservation Area and Buckinghamshire.

Plans showing the precise boundaries of the amended Conservation Areas may be inspected in the Department of Planning and Development, Queen Victoria Road, High Wycombe, Buckinghamshire, during normal office hours.
