NOTICE

TREASURY MINUTE dated 23rd April 1991.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 24th April 1991 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;

- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);

- (iii) The rates of such interest shall be:

PWLB Non-quota A Rate loans will bear interest at 1 per cent above the corresponding Non-quota rates.

PWLB Non-quota B Rate loans will bear interest at 2 per cent above the corresponding Non-quota rates.

The amount which a local authority borrows within its annual quota will bear interest at the appropriate rate in the quota set of rates. Authorities may borrow further sums at quota rates at the discretion of the Public Works Loan Commissioners. Other borrowing beyond the quota entitlement will be at the appropriate rate in the non-quota set of rates.

My Lords concur.

Hilperton Conservation Area No. 2

Notice is hereby given that the West Wiltshire District Council, in pursuance of its powers under sections 69 and 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990, has designated Hilperton Conservation Area No. 2. The area has been so designated because the Council considers it to be an area of Special Architectural or Historic Interest, the character of which it is desirable to preserve or enhance. The effect of designation is that within the Conservation Area:

1. The demolition of certain buildings is brought within listed building control;
2. Any person proposing to do work on trees in the area is required to give 6 weeks prior notification to the local planning authority of his intention, unless the trees are already protected by a Tree Preservation Order, in which case an application for consent will be required;
3. The Council comes under a duty to formulate and publish proposals for the preservation and enhancement of the area;
4. Planning applications for development which would, in the opinion of the local planning authority, affect the character or appearance of the Conservation Area must be given publicity and representations in consequence taken into account in determining the application.

A copy of the plan showing the extent of the Conservation Area may be inspected by the public at West Wiltshire District Council Offices, Bradley Road, Trowbridge, Wiltshire, during normal office hours.
