NOTICE

Treasury Minute dated 30th April 1991.

The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 1st May 1991, and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

Church Lane, from its junction with Queen Street westwards for a distance of 38 metres and then northwards for a distance of 28.5 metres.

SCHEDULE

The land which is the subject of this Order comprises an area of approximately 10.1 hectares. To the east it is largely bounded by Slackhead Road extending as far as its junction with Thrang End Bridge. The south-western boundary follows the line of Leighton Beck, which also forms the Lancashire County Boundary at that location. Part of the north-western boundary coincides with the boundary of the Cumbria County Council (Leighton Beck Wood and School Lots, near Beetham) Limestone Pavement Order 1987. The area is low-lying with pavements occurring in bands and scattered blocks mostly within woodlands or scrub surrounded by grazed pasture and herb-rich meadow. An integral part of the landscape of an Area of outstanding Natural Beauty, the site is readily visible from nearby roads. The ground flora is very typical of other wooded pavements and the area contains a number of nationally uncommon trees such as yew, small-leaved lime and purging blackthorn.
