The Lords Commissioners of Her Majesty's Treasury read section 3(2) of the National Loans Act 1968 (1968 C.13 as amended) whereby any sums borrowed from the Public Works Loan Commissioners shall bear interest at such rates as the Treasury may determine from time to time in accordance with section 5 of the said Act.

My Lords understand that the Public Works Loan Commissioners will be operating arrangements under which local authorities are permitted to borrow from the Commissioners up to a specified quota at a certain fixed rate of interest and in excess of such quota at one of two higher fixed rates.

In accordance therewith the Chancellor of the Exchequer now recommends that with effect from 19th June 1991 and until the coming into operation of a further determination:

- (i) The rate of interest applicable to any such fixed rate loan will be that in force on the day the authority applies to borrow or, if the application is before noon three working days before the loan is credited to the account of the authority's banker, the rate in force at 11 a.m. two banking days before credit day;
- (ii) Different rates of interest shall be charged on such fixed rate loans according to whether the principal of a loan is repaid by instalments or at maturity and, if repaid by instalments, whether by equal instalments of the principal with interest paid on the decreasing balance of the principal (E.I.P.), or by instalments of equal repayments of the principal and interest paid thereon (E.R.);
- (iii) The rates of such interest shall be:

## MID KENT WATER PLC

## Drought Order

Water Act 1989, section 131(4)(a) and (f) and section 131 4(b)

Notice of application for emergency Orders to vary licence conditions to groundwater sources and to abstract water from a new unlicensed source and to prohibit or restrict the use of water.

In view of the exceptional shortage of rainfall throughout 1989-1991, a considerable reduction in recharge to all aquifers has occurred threatening a serious deficiency of supplies of water in the statutory area of Mid Kent Water plc in 1991.

Notice is hereby given that in order to ensure the maintenance of essential supplies of water to its customers this summer, the Company is applying to the Secretary of State for the Environment for an Order pursuant to sections 131(4)(a) and (f) of the Water Act 1989, to modify licence conditions relating to the abstraction of water from the Chalk Strata, at Boughton, Wineycock Shaw, Howfield, Thanington, Godmersham, Chilham, Hoplands Farm and Stockbury Pumping Stations. The modifications would provide for temporary increases in the existing authorised maximum day abstraction quantities which would also necessitate a temporary increase in the authorised annual quantity in certain cases. The proposed modifications would also involve the temporary suspension of the compensation water provisions for the Chilham and Godmersham licences and the temporary suspension of the compensation restricted abstraction conditions for the Howfield and Thanington licences with respect to the 104.6 Mld. (23 m.g.d.) flow condition in the River Great Stour as measured at the Horton Gauging Station. In addition, the Company has constructed a new source into the Ashdown Beds Strata at Bewl Bridge which is at present unlicensed but available for assisting in meeting projected demands this summer. The Company is applying to the Secretary of State for temporary authorisation to abstract water from this source this year pending determination of licence applications by the National Rivers Authority.

Details of the existing licence conditions and temporary modifications are indicated in the attached table.

\* Upper figure subject to flows at Horton Gauging Station on the River Great Stour being above 104.6 Mld (23 mgd).

Notice is also hereby given that in order to ensure maintenance of essential supplies of water to its consumers, the Company is applying to the Secretary of State for the Environment for an Order pursuant to section 131(4)(b) of the Water Act 1989 and in accordance with the Drought Direction 1991 to authorise prohibition or limitation of the use of water for non-essential purposes. In this respect the Company is seeking authority to prohibit, should this be deemed necessary:

- (a) the watering, by hosepipe, sprinkler or other similar apparatus, of;
  - (i) gardens (other than market gardens), including lawns, verges and other landscaped areas;
  - (ii) allotments;
  - (iii) parks; or
  - (iv) any natural or artificial surfaces used for sport or recreation, whether publicly or privately owned;
- (b) the filling (whether wholly or partially) of privately owned swimming pools, other than:
  - (i) pools designed to be used in the course of a programme of medical treatment;
  - (ii) the filling of pools where necessary in the course of their construction;
- (c) the filling (whether wholly or partially) of ornamental ponds other than fish ponds;
- (d) the operation of mechanical vehicle washers, whether automatic or not;
- (e) the washing of road vehicles, boats, railway rolling stock or aircraft for any reason other than safety or hygiene;
- (f) the cleaning of the exterior of buildings, other than windows;
- (g) the cleaning of windows by hosepipe, sprinkler or other similar apparatus;
- (h) the cleaning of industrial premises or plant for any reason other than safety or hygiene;
- (i) the operation of ornamental fountains or cascades, including those where water is recycled;
- (j) the operation, in relation to any building or other premises, of any cistern which flushes automatically, during any period when those premises are wholly or substantially unoccupied.

A copy of this application together with accompanying plans may be inspected by any person free of charge, during all reasonable office hours at the Company's Principal Office, High Street, Snodland, Kent, at the Eastern Divisional Office, Odsal House, Harbledown, Canterbury, Kent and the Western Divisional Office, King Street, Maidstone, Kent, for a period of seven days from the publication of this Notice.

Objections to the application may be made to the Secretary of State for the Environment, Romney House, 43 Marsham Street, London SW1 3PY (with a copy to the undersigned please) within seven days of the publication of this Notice.

Where it appears to the Secretary of State that an Order is required to be made urgently if it is to enable the Company effectively to meet the projected deficiency of supplies of water, he may direct that the holding of a public local inquiry or a hearing by a person appointed by him shall be dispensed with.

# Statutes in Force

## A vital reference work on the law of the land

What is *Statutes in Force*?

*Statutes in Force* is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

**comprehensive**

**convenient**

**constantly updated**

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

*Statutes in Force* is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:

HMSO Publicity, FREEPOST, Norwich, NR3 1BR
