Notice is hereby given that the Oxfordshire County Council propose to make the above Order under sections 1 and 2 of, and Part IV of Schedule 9 to, the Road Traffic Regulation Act 1984, revoking and re-enacting with variations the provisions of the existing Traffic Regulation Orders affecting the "pedestrianised" part of Market Square, Witney, which lies on the east side of the main carriageway in Market Square.

Certain parcels of land were gained from Berkshire and it is necessary for these to be formally included within the Hart District Local Plan, Second Alteration, Deposit Edition, prior to the Public Inquiry.

A map incorporating the changes, and showing the additional parcels of land will be available for inspection from Monday, 2nd September 1991, free of charge, at the Civic Offices, during the Council's normal office hours: 8.30 a.m. to 5 p.m., Monday to Thursday, and 8.30 a.m. to 4.30 p.m., Fridays, and at Fleet, Yateley and Odiham Libraries, during their normal opening hours.

All comments must be received by Monday, 14th October 1991.

The Public Local Inquiry will commence on 19th November 1991, at which any issues raised through representations made relating to the land affected by the boundary change may be heard by an independent Inspector, along with those issues raised during the earlier consultation period of the deposited plan, earlier this year.

And whereas the Secretary of State for the Environment has been asked by the Council to certify under section 19(1)(a) and (b) of the Acquisition of Land Act 1981 that he is satisfied firstly under section 19(1)(a) that there will be given in exchange for the open space described in the First Schedule hereto other land described in the Second Schedule hereto which land is not less in area, is equally advantageous to the persons if any entitled to rights and to the public and is to be held subject to the like, rights, trusts and incidents as attach to the open space to be compulsorily acquired. Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
