**TOWN AND COUNTRY PLANNING ACTS**

**CHERWELL DISTRICT COUNCIL**

**PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990**

Notice is hereby given that the Cherwell District Council has, pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, designated the areas as described in the Schedule below as the Begbroke Conservation Area, and the Rousham Conservation Area. The Council has also, following a review of the Conservation Area boundaries, designated the further areas, as described in the Schedule below, for inclusion in the Adderbury, Bloxham and Horley Conservation Areas. Plans of the said areas may be inspected at the Cherwell District Council Offices, Bodicote House, Bodicote, Banbury, Oxfordshire, during normal office hours.

The effects of the designation are:

- (a) All planning applications for development which would affect the character of the Areas must be advertised and the site notices must be posted so that the maximum opportunity for comment is given to the public before a decision is reached.
- (b) Cherwell District Council, as the local planning authority, will exercise particular care to ensure that change, when it occurs,

will preserve or enhance the appearance and character of the Areas.

- (c) No building in a conservation-area may be demolished or partially demolished without conservation-area consent having first been obtained from the local planning authority. (For alteration, demolition or extension of listed buildings in a conservation area, listed building consent must be applied for, and this takes precedence over conservation-area consent). Exceptions to this rule are those laid down in paragraph 97 of Department of the Environment Circular 8/87. These exceptions mainly affect small buildings within the curtilage of a dwellinghouse; gates, walls, fences or other enclosures below a certain height; temporary buildings; certain agricultural and industrial buildings; and buildings required to be demolished under the provisions of the Town and Country Planning Act 1990, the Housing Act 1985 or the Pastoral Measure 1983. Planning permission is required for some alterations to dwellings due to their locations within a conservation area. This control is exercised over all dormer windows and external cladding.
- (d) It is an offence to cut down, top, lop, uproot or wilfully damage or destroy any tree (not already the subject of a tree preservation order) in a conservation area without giving 6 weeks' notice to the District Council. This provision does not relate to trees covered by a felling licence, to dead trees, to trees which do not exceed 77mm (3 inches approx.) in diameter, or to certain other trees, details of which can be obtained from the address above.
