NATIONAL RIVERS AUTHORITY—SOUTHERN REGION

Notice of application to vary a licence to abstract water

Notice is hereby given that an application is being made to the National Rivers Authority, Southern Region by Bridgeguild Ltd., Great Budbridge Manor, Merstone, Newport, Isle of Wight to vary the licence serial number 12/101/1/G/53 to abstract water from the Lower Greensand strata at SZ 529 836, Arreton, Newport.

The reason for this application is to regularize the quantities that have been abstracted in the past for trickle irrigation from underground strata and bring the abstraction into line with the current interpretation of water resources legislation. The variation applied for is therefore to increase the quantities licenced to 10 cubic metres per hour, 140 cubic metres per day and 16,000 cubic metres per annum in line with actual water use over the past five years.

A copy of the application and any map, plan or other document submitted with it may be inspected free of charge at Great Budbridge Manor Nurseries, Merstone, Newport, Isle of Wight, at all reasonable hours during the period beginning on 18th October 1991 and ending on 15th November 1991.

Any person who wishes to make representation about the application should do so in writing to the Resources Manager, National Rivers Authority, at Guildborne House, Chatsworth Road, Worthing, West Sussex BN11 1LD, before the end of the said period.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
