## WATER RESOURCES ACT

### NATIONAL RIVERS AUTHORITY—ANGLIAN REGION

#### *Notice of application for a licence to abstract water*

Notice is hereby given, that an application is being made to the National Rivers Authority Anglian Region by F.T. Millard & Sons, Longacres Moggerhanger Road, Sandy, Bedfordshire, for a licence to abstract 27.3 thousand cubic metres per year between March and October in any year, National Grid Reference TL 15764933 in the parish of Moggerhanger in the district of Sandy in the county of Bedfordshire from dissused gravel pit.

The water is required for spray irrigation.

A copy of the application and of any map, plan or other document submitted with it may be inspected, free of charge, at Longacres, Moggerhanger Road, Sandy, Bedfordshire, at all reasonable hours during the period beginning on 1st November 1991, and ending in 1st December 1991.

Any person who wishes to make representations about the application should do so in writing to the Regional Manager, Environment and Fisheries, National Rivers Authority, Anglian Region, Kingfisher House, Goldhay Way, Orton Goldhay, Peterborough PE2 0ZR, before the end of the said period.

*B. Millard, on behalf of F. T. Millard & Sons.*

25th October 1991.

### NATIONAL RIVERS AUTHORITY—SEVERN-TRENT REGION

#### *Notice of application to vary a licence to abstract water*

Notice is hereby given, that an application is being made to the National Rivers Authority by the East Worcestershire Waterworks Company whose Head Office is at 46 New Road, Bromsgrove, Worcestershire B60 2JT, to vary the licence serial number 18/54/7/236 to abstract water from the Sherwood Sandstones at NGR SO944.707 being the Company's Whitford Pumping Station at Bromsgrove, Worcestershire.

The variation applied for is to amend the annual aggregate quantity of water to be abstracted pursuant to this licence and licences serial numbers 18/54/7/131; 18/54/7/133; 18/54/7/134; 18/54/7/135; 18/54/15/183 and 18/54/19/113 for the Company's sources at Burcot, Washingstocks, Wildmoor, Sugarbrook, Brockhill and Webheath.

The annual aggregate quantity of water authorised to be abstracted by the existing licences referred to above shall not exceed 14,235,000 cubic metres provided that until 31st March 1997 the annual aggregate quantity shall not exceed 16,060,000 cubic metres.

The variation applied for is to revise the licensed annual aggregate quantities of water to be abstracted during the period up to 31st March 1997, the details of which are as follows:

- Increase the quantity of water to be abstracted by 730,000 cubic metres whereby the annual aggregate shall not exceed 16,790,000 cubic metres until 31st March 1994;
- Reduce the quantity of water to be abstracted by 730,000 cubic metres whereby the annual aggregate shall not exceed 16,060,000 cubic metres until 31st March 1995;
- Reduce the quantity of water to be abstracted by 730,000 cubic metres whereby the annual aggregate shall not exceed 15,330,000 cubic metres until 31st March 1997;
- Reduce the quantity of water to be abstracted by 1,095,000 cubic metres to comply with requirements of existing licence whereby the annual aggregate shall not exceed 14,235,000 cubic metres.

A copy of the application and of any map, plan or other document submitted with it may be inspected, free of charge, at the Company's Offices at 46 New Road, Bromsgrove, Worcestershire B60 2JT, at all reasonable hours during the period beginning on Thursday, 31st October 1991, and ending on Thursday, 28th November 1991.

Any person who wishes to make representations about the application should do so in writing to the Catchment Regulation Section, National Rivers Authority at Severn-Trent Region, Sapphire East, 550 Streetsbrook Road, Solihull B91 1QT, before the end of the said period.

*C. G. Ryder, Chief Executive on behalf of East Worcestershire Waterworks Company.*

25th October 1991.

### NATIONAL RIVERS AUTHORITY—SEVERN-TRENT REGION

#### *Notice of application for licence to abstract water*

Notice is hereby given, that an application is being made to the National Rivers Authority by the East Worcestershire Waterworks Company, whose Head Office is at 46 New Road, Bromsgrove, Worcestershire B60 2JT, for a licence to abstract the following quantities of water from the Triassic Sandstones:

A maximum of 4,400 cubic metres per day, 1,277,500 cubic metres per annum from two boreholes located at NGR SO 839 636 and NGR SO 838 629 Ombersley, Hereford and Worcester.

The water abstracted will be used for public water supplies.

In addition the annual aggregate quantity of water to be abstracted pursuant to this application and licences serial numbers 18/54/7/234/G and 18/54/7/235/G for the Company's existing sources at Westwood and at Dunhampton shall not exceed 3,285,000 cubic metres.

This means that the annual aggregate quantity of water to be abstracted from the Company's three sources is to be increased by 33,033 cubic metres from the existing authorised abstraction of 3,251,967 cubic metres per annum for public water supply purposes.

A copy of the application and of any map, plan or other document submitted with it may be inspected, free of charge, at the Ombersley Post Office, Kidderminster Road, Ombersley, near Droitwich, Worcestershire, at all reasonable hours during the period beginning on Thursday, 31st October 1991, and ending on Thursday, 28th November 1991.

Any person who wishes to make representations about the application should do so in writing to the Catchment Regulation Section, National Rivers Authority at Severn-Trent Region, Sapphire East, 550 Streetsbrook Road, Solihull B91 1QT, before the end of the said period.

*C. G. Ryder, Chief Executive on behalf of East Worcestershire Waterworks Company.*
