

- on the upper part, the initials of the consigning country in capitals ie NL, followed by the veterinary approval number of the establishment,
  - on the lower part, one of the following sets of initials: CEE, EEG, EWG, E0F, EEC or EOK;
- (b) or an oval mark at least 6.5 cms wide by 4.5 cms high bearing the following information in perfectly legible characters:
- on the upper part, the name of the consigning country in capitals,
  - in the centre, the veterinary approval number of the establishment,
  - on the lower part, one of the following sets of initials: CEE, EEG, EWG, E0F, EEC or EOK;

The letters must be at least 0.8 cm high and the figures at least 1 cm high.

The health mark may, in addition, include an indication of the official veterinarian who carried out the health inspection of the meat.

2. For meat of domestic swine, the health mark shall be as described at 1 above, but may be covered by two parallel straight lines, with a distance of 1 cm at least, crossing the oval stamp along the main diameter and the information thereon remaining legible, and the two parallel lines being as evident as the external edge of the mark.

3. For poultry meat the health mark shall consist of:

For individually packed carcasses or offal packed in small quantities:

- (a) on the upper part, the first two letters in Latin script (in capitals) of the name of the country, ie NE,
- in the centre, the veterinary approval number of the slaughterhouse or, where appropriate the cutting premises,
- on the lower part, one of the following sets of initials: CEE, EEG, EWG, E0F, EEC or EOK;

The letters and figures must be 0.2 cm high.

For large packages containing carcasses, parts of carcasses or offal:

- (b) within an oval 6.5 × 4.5 cms containing the information listed in (a): the letters must be 0.8 cm high and the figures 1 cm high.

4. (i) For meat products the health mark must give the following particulars within an oval surround:

- above:
  - the initials of the exporting country in capitals, ie NL, followed by the approval number of the establishment,
- below:
  - one of the following sets of initials: CEE, EEG, EWG, E0F, EEC or EOK;

(ii) For flash-fried poultry meat products, the health mark must be as described above, but need not contain any of the sets of initials: CEE, EEG, EWG, E0F, EEC or EOK;

(iii) For meat products containing a quantity of meat product which is less than 10 per cent. of the total weight of the final product when ready for use after preparation in accordance with the instructions for use issued by the manufacturer, the health mark must be as described above with the addition of the figure "8" and a hyphen preceding the approval number of the establishment.

The health mark may be applied to the product, wrapping or packaging by inking or branding, or it may be printed on or applied to a label.

5. For lard or rendered animal fat transported unpackaged in a tank of a ship, aircraft or hover vehicle, a certificate in the form set out below:
