The Bills will be in amounts of £5,000, £10,000, £25,000, £50,000, £100,000, £250,000, £500,000, £1,000,000, £5,000,000 or £10,000,000. They will be dated at the option of the Tenderer on any business day from Monday, 3rd February 1992, to Friday, 7th February 1992, inclusive.

The Bills will be issued and paid at the Bank of England.

Each Tender must be for an amount not less than £50,000 and must specify the date on which the Bills required are to be dated and the net amount per cent (being a multiple of half of one penny) which will be given for the amount applied for. Separate Tenders must be lodged for Bills of different dates and different tenors.

Notification will be sent on the day of the Tender to the persons whose Tenders are accepted in whole or in part.

If delivery of Treasury Bills into the Central Moneymarkets Office has been requested, payments will be effected through that system; otherwise payment in full of the amount due in respect of an accepted Tender must be made to the Bank of England, not later than 1.30 p.m. on the day on which the relevant Bills are to be dated and on which they are to be collected from the Securities Office, by one of the following means:

- (a) cash
- (b) banker's draft payable through the Town Clearing
- (c) cheque drawn on the Bank of England
- (d) CHAPS payment (subject to evidence of payment) (Bills will only be released by the Bank of England when evidence of payment has been received).

Tenders should be made on the printed forms which may be obtained from the Securities Office, Bank of England. Particular forms are available for Bills of each maturity but where special, prior

arrangements have been made with the Bank of England, Tenders may be accepted by other means.

The Lords Commissioners of Her Majesty's Treasury reserve the right to reject any Tenders. (10 SI)
