SOUTHERN WATER SERVICES LIMITED

Taking of water from the River Medway catchment in Kent

Notice is hereby given that because of an exceptional shortage of rain, a serious deficiency of supplies of water exists and is threatened within the Medway area of Kent being part of the water supply area of Southern Water Services Limited. The Company therefore is applying to the Secretary of State for the Environment for an Order under section 73(1) of the Water Resources Act 1991 to vary the Company's existing Licence number 9/40/3/418/S and any replacement thereof to abstract from the River Medway at Springfield (Grid Reference TQ 754 569) by:

- (i) suspending the restrictions limiting abstraction by reference to the release of water from Bewl Water Reservoir, and
- (ii) suspending the minimum residual flow of the River Medway at Teston Weir of 352 megalitres per day, provided that a minimum residual flow of 100 megalitres per day shall apply during July, August and September.

Copies of the licence and of other documents concerning the Company's proposals may be inspected by any person free of charge at all reasonable times at the Company's offices at Southern House, Capstone Road, Chatham for a period of seven days from the date of service of this notice.

Objections to the application may be made to the Secretary of State for the Environment Room B449, Romney House, 43 Marsham Street, London SW1 3PY (with a copy to the undersigned please) within seven days of the service of this notice.
