WOODSPRING DISTRICT COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Notice of Designation of Conservation Areas:

(1) Portishead (West Hill and Welly Bottom) Conservation Area

(2) Portishead (Woodhill Road) Conservation Area

Notice is hereby given that the Woodspring District Council, by resolution dated 10th March 1992, pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, have designated the areas specified in the Schedule hereto within the

District, in the County of Avon, as Conservation Areas, each being an area of Special Architectural or Historic Interest, the character or appearance of which it is desirable to preserve or enhance.

The effect of the designation will be that planning applications for development, which would in the opinion of the District Planning Authority affect the character or appearance of the area, will be given due publicity and special attention will be paid in the exercise of any powers under planning and allied legislation to the desirability of preserving or enhancing the character or appearance of any buildings or other land in the area and to give the District Planning Authority powers of control in relation to certain development, the demolition of buildings with certain specified exemptions, and the display of advertisements in the Conservation Area. The provisions of the Town and Country Planning General Development Order 1988 as amended will also apply to the area. In addition, the control over the treatment of trees will apply in the Conservation Area. The effect of this provision in general terms is that any person wishing to cut down, top, lop, uproot or otherwise damage or destroy any trees not already covered by a Tree Preservation Order must give the District Planning Authority six weeks notice of his/her intention. Particulars of such notice are to be recorded by the Council in a register open to public inspection. The purpose of this provision is to give the District Planning Authority an opportunity to make a Tree Preservation Order where appropriate before the work proposed is carried out. It constitutes an offence to begin work without giving the required notice (or without the District Planning Authority's specific consent with the 6 week period).

Plans showing the boundaries of the Conservation Areas are available for public inspection during normal office hours at the Town Hall, Weston-super-Mare between 9 a.m. and 5 p.m. on Monday to Thursday and 9 a.m. and 4.30 p.m. on Friday, and at the Folk Hall, High Street, Portishead between 9 a.m. and 1 p.m. Monday to Friday.

Having designated the areas the Council will apply the policy statements relating to conservation contained in the Clevedon, Nailsea and Portishead Local Plan.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of any individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
