EXPLANATORY NOTE

The applications outline above arise as part of the agreement reached following the Public Local Inquiry held in Southampton on February 4th 1992. The Inquiry took place before an Inspector instructed by the Secretary of State for the Environment. Its purpose was to investigate the appeals against the revocation by the Authority of licence no. 11/42/1/1 held by O. H. G. Nares, and no. 11/42/1/3 held by Hurst Castle Ltd. and to determine the licence application for New Milton Town Council. O. H. G. Nares and Hurst Castle Ltd. have withdrawn their appeals and their licences have been revoked. The National Rivers Authority have agreed to re-issue the revoked licences with their original quantities, but subject to residual flow conditions to protect the environment. New Milton Town Council's licence is to be issued also with minimum residual flow conditions and with abstraction rates half those originally applied for. The NRA is confident that this will ensure both the proper use of water resources and protection of the environment. (743)

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
