GOSPORT BOROUGH COUNCIL

PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Conservation areas in Gosport

Notice is hereby given that Gosport Borough Council has designated the following area in Gosport as a Conservation area pursuant to section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990:

1. *Stoke Road*—The area will extend from Spring Garden Lane (the boundary being contiguous with the St. George Barracks South Conservation Area) to the Elmhurst Road and Shaftesbury Road junctions. Properties included will be Nos. 1-127 Stoke Road (Southern Side) and a number of buildings on the Northern Side of Stoke Road including Christ Church together with Nos. 2-12 and 1-11 Queens Road, Bourton House, and the southern part of Elmhurst Road as far north as the Percy Road junction.

2. The above description of the Conservation Area is in general terms only; a plan showing the exact extent of the Conservation Area is deposited in the Committee and Members' Services Unit at the Town Hall, High Street, Gosport and may be inspected by the public during normal working hours (9 a.m. to 5 p.m.) on any weekday (excluding Saturday) and the Planning and Building Control Services Unit will be pleased to advise whether particular properties are within the Conservation Area and to supply further information generally.

3. The general effect of the designation of the Conservation Area is as follows:

- The Local Planning Authority, when determining applications for planning permission, will have regard to the need to conserve and enhance the appearance and character of the area.

(b) No building (or part of a building) in the area may be demolished without the consent of the Local Planning Authority except in those (mainly minor) cases exempted by direction of the Secretary of State for the Environment. Consent to demolition may be applied for separately, or as a specific part of a planning permission application for redevelopment. In assessing whether consent should be given for demolition, the authority will have regard to the importance of the building to the character or appearance of any part of the Conservation Area. A list of those descriptions of demolitions which have been exempted by the Secretary of State, and so can be carried out without consent, is deposited for inspection with the plans for the Conservation Area referred to in 2 above.

(c) No tree in the Conservation Area may be cut down, topped, lopped, uprooted, wilfully damaged or wilfully destroyed without the consent of the Local Planning Authority and a duty is placed on all landowners to replace trees which are destroyed or die unless the authority dispense with this requirement in any particular case.

(d) Arrangements will be made by the Council for publicising all significant planning applications in the Conservation Area, so as to enable the public to submit comments to the Local Planning Authority before they make their decisions on the applications.

4. The Conservation Area has been designated because of its special architectural or historic interest and the Council intends to prepare in the future schemes for the preservation and enhancement of the Conservation Area and there will be public consultation before such schemes are implemented.
