NORTH WEST WATER LIMITED

Ennerdale Water

Notice is hereby given that North West Water Limited is applying to the Secretary of State for the Environment for an Order under sections 73 and 74 of the Water Resources Act 1991 to suspend temporarily the operation of paragraph (g) 2 of the Schedule to the Company's abstraction licence no. 2774003008 so as to allow abstraction when the level of Ennerdale Water is below 110.61 metres AOD (that is, more than 1.70 metres below the present crest of the dam).

The reason for this application is that if the level of Ennerdale Water falls below this level, abstraction by the Company would have to cease under the terms of the Licence. The Order is required to temporarily suspend this restriction so as to enable the Company to maintain abstraction for supply and compensation water purposes. If the proposed Order is made, the Company would use it only when the lake level is below 110.61 metres AOD. The Company is not seeking to reduce the compensation flow of 31.82 megalitres per day.

Objections to the application may be made in writing to the Secretary of State for the Environment, Room B449, Romney House, 43 Marsham Street, London SW1P 3EB, within seven days from the date on which this notice is served, or, as the case may be, published. It is requested that a copy of any objection be sent at the same time to the undersigned.
