Crossing Hellesdon Hall Road the boundary runs in a westerly direction following the bank pavement line to the junction with Rosary Court. Here it turns northwards to follow the eastern boundary of Rotary Court. At the churchyard it follows the southern boundary in an easterly direction where it then turns northwards to follow the eastern boundary until it meets the City's constitutional boundary.

The Broadland District Council's Conservation Area Boundary follows the western boundary of St. Mary's Churchyard northwards from the constitutional boundary of the District of Broadland to the north-western corner of that Churchyard. From there, it follows the northern and then the western boundaries of that Churchyard until it reaches the extension of the line which forms the southern boundaries of No. 3 Riverside Close, Leaside and Windlass. It then travels westwards along that line following the southern boundaries of those properties.
