PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990

Designation of Conservation Area—Barton Mills, Suffolk

Notice is hereby given that the Forest Heath District Council, by resolution dated 29th January 1992, pursuant to section 70 of the Planning (Listed Buildings and Conservation Areas) Act 1990, has designated the area specified in the Schedule hereto as a conservation area. A plan of the Barton Mills Conservation Area may be inspected during normal office hours at the District Offices, College

Heath Road, Mildenhall, and at Barton Mills Village Hall from 12th to 26th August 1992.

The purpose of the designation is to preserve and enhance the character and appearance of an area which is of special architectural or historic interest and to ensure that special regard is paid to the architectural and visual qualities of the Conservation Area when proposals for development are under consideration.

The principal effects of the designation are that, under the Planning (Listed Buildings and Conservation Areas) Act 1990, with certain exceptions, no building within the Conservation Area may be demolished without the consent of the District Council and that, under the Town and Planning Act 1990, owners wishing to do work to trees must give 6 weeks written notice of their intention to the District Council which may decide to make a Tree Preservation Order. Where such an Order is already in force, an application for consent is required. Permitted development rights, which for certain classes of development are narrower in Conservation Areas, are contained within the Town and Country Planning General Development Order 1988.

S. W. Catchpole, Chief Executive

District Offices, College Heath Road,
Mildenhall, Suffolk IP28 7EY.

SCHEDULE

SHREWSBURY AND ATCHAM BOROUGH COUNCIL

TOWN AND COUNTRY PLANNING ACT 1990, SECTION 259

The Shrewsbury and Atcham Borough (Public Path No. 14, Picklescott, Shropshire) Public Path Diversion Order 1992

Notice is hereby given that, on 7th August 1992 the Shrewsbury and Atcham Borough Council confirmed the above-named Order.

The effect of the Order as confirmed is to divert the public right of way from a Point A adjacent to the Bottle and Glass Inn, Picklescott (Grid Ref. SO 43529947) traversing in a north-easterly direction for a distance of approximately 90 metres to Point B, and from Point B, traversing in a general northerly direction for a distance of 50 metres to Point C, and from Point C, traversing in a north-easterly direction for a distance of 330 metres to Point D (Grid Ref. SO 43819982), to a new line running from Point A traversing in a northerly direction for a distance of 184 metres to a Point E, and from Point E traversing in a general easterly direction veering to a north-easterly direction for a distance of approximately 362 metres to point D, being a total distance of approximately 470 metres.

A copy of the Order and the map contained in it has been deposited and may be inspected free of charge at the offices of the Chief Executive, Guildhall, Shrewsbury, between 8.30 a.m. to 5 p.m. Mondays to Fridays.

The Order became operative as from 7th August 1992 but if any person aggrieved by the Order desires to question the validity thereof, or of any provision contained therein, on the grounds that it is not within the powers of the Town and Country Planning Act 1990 or on the grounds that any requirement of the Act or regulations made thereunder has not been complied with in relation to the Order, he may, within 6 weeks from the date of publication of this notice, make application for the purpose to the High Court.

D. Bradbury, Chief Executive

13th August 1992.

SOUTH DERBYSHIRE DISTRICT COUNCIL

Extension to Shardlow Conservation Area

Notice is hereby given that under the provisions of section 69 of the Planning (Listed Buildings and Conservation Areas) Act 1990, the Council has designated an extension to the boundaries of the Shardlow Conservation Area, as follows:

To the west, from the existing Conservation Area's most southerly point, the boundary of the extension follows the south side of the towpath of the Trent and Mersey Canal for approximately 150 metres and then turns north-westwards to follow the west side of O.S. Fields Nos. 0023 and 8130 until it meets the A6 at the side of St. James's Church. From here it follows the south side of the A6 westwards and then follows the east side of the plot to Shardlow House (No. 94 London Road), continuing along the rear of this and the adjoining plot to Aston Lane. It then skirts the south and west sides of the car park to the Dog and Duck Public House, crosses the A6 and follows the boundary of the plot to the Dower House (No. 81 London Road) until it meets the footpath which leads north-eastwards from the A6 at the side of the adjoining cow shed. The boundary then follows this footpath until it reaches Bottom Wood which it skirts and includes, continuing in a south-easterly direction along the west side of O.S. Field No. 0066 until it meets the existing Conservation Area boundary at the A6.

To the north-east, from the existing Conservation Area boundary in the north-east corner of the New Inn on The Wharf, the boundary of the extension follows the boundary between houses on Cavendish Close and Long Row northwards turning west, north and then east to include O.S. Field No. 5081. Continuing eastwards along the north side of O.S. Field No. 5782 and then northwards along the east side of O.S. Fields Nos. 5782, 5978 and 5971 it then follows the flood bank to rejoin the existing Conservation Area boundary to the north of Millfield.

The consequences of designation are that:

- (1) the demolition of certain buildings is brought within Conservation Area control;
- (2) with limited exceptions, it is an offence to cut down, top, uproot, wilfully damage or wilfully destroy any tree in the Conservation Area except with the consent of the Local Planning Authority;
- (3) the Authority comes under a duty to formulate and publish proposals for the preservation and enhancement of the area, and to pay special attention to the desirability of preserving or enhancing it in the exercise of its powers;
- (4) planning applications for development which would, in the opinion of the Local Planning Authority, affect the character or appearance of the Conservation Area must be given publicity and representations received in consequence taken into account in determining the application;
- (5) permitted development rights are more restricted than in other areas.

The designation of the extension became effective on 9th July 1992 and further information will be provided on application.

Statutes in Force

A vital reference work on the law of the land

What is *Statutes in Force*?

Statutes in Force is the official revised edition of the statutes. It provides the text (without commentary) of the current statute law of the land, in a way which is

comprehensive

convenient

constantly updated

The complete edition consists of 107 looseleaf binders which contain hole-punched crown quarto (246 x 189mm) booklets - giving a total of some 60,000 pages. The Acts are arranged, not in purely chronological order, but classified into 125 groups according to subject matter.

Statutes in Force is intended to be a permanently renewable edition of revised statutes. It is kept up to date in a number of ways:

- The issue of new Acts for insertion into their appropriate groups (they are published in complete text form usually within two months after Royal Assent)
- The issue of instructions for the removal of repealed Acts
- The publication of revised reissues of heavily-amended Acts
- Cumulative supplements for each affected group giving particulars of amendments and partial repeals (pending their eventual incorporation in revised reissues of the affected Acts).

Customers may obtain copies of **any** individual Act in the *Statutes in Force* edition. This service will be of most benefit when ordering heavily amended Acts which have been revised and re-issued or Acts which are now out-of-print in the original (Queen's Printer) version.

There's a free leaflet on *Statutes in Force* available from:
